NOTE FROM THE EXECUTIVE DIRECTOR
AMY F. COOK

The intent of the racetrack condition book preamble is to provide up-to-date information on requirements for racetracks and occupational licensees. Weekly visual inspections are required of racetracks during live racing and are to be reported to the Commission via email to info@txrc.texas.gov. Daily visual inspections are strongly encouraged. Any issues regarding the safety, integrity or welfare of racing participants should be immediately reported to the Commission.

If there is any conflict with the Texas Racing Act or the Texas Rules of Racing and racetrack house rules or race sponsor rules, the Texas Racing Act and Texas Rules of Racing prevail.

TRAINERS:

1. All Trainers should be licensed prior to the entry procedure.
2. It is the trainer's responsibility to keep the Texas Racing Commission licensing office current on their owners' and employees' status. Failure to do so may result in disciplinary action by the stewards.
3. Whenever a trainer terminates an employee, the licensing office should be notified, and their badge returned. The license badge may be returned to the licensee when they are employed by another licensed trainer.

OWNERS:

1. All Owners, as listed on the horse's registration papers, should be licensed prior to the entry of that horse.
2. Owners' license will not be issued unless a licensed trainer is named on their application.
3. All owners who lease horses for racing purposes are responsible for licensing both the Lessee and Lessor.
4. If the owner is not an individual, each partner who has an ownership interest of five percent (5%) or more must be licensed by the Texas Racing Commission.
5. A person may not be licensed as an owner if the person is not the owner of record of a properly registered race animal which the person intends to race in Texas which is in the care of a trainer licensed by the Texas Racing Commission.

NOTE: All Owners, Trainers, and Lessees must be licensed before the race day in which their horse will participate. Texas Racing Commission licensing staff will be available during live race **events** but cannot guarantee a license issuance or renewal will occur if previous application steps were not met (digital fingerprints, evaluation of possible disqualifiers, etc.). Please see the following website for licensing guidelines:

SPECIMEN TESTING

The Texas Racing Commission tests specimens include, but are not limited to serum, urine, and hair. All breeds will be subject to hair testing at random or for cause, as determined by the Texas Racing Commission. The Texas Veterinary Medical Diagnostic Laboratory (TVMDL) is the primary State laboratory that conducts testing of primary samples. The agency maintains discretion for using any accredited laboratory necessary to accomplish proper analysis, including split samples.

STATE VETERINARY MONITORING OF MORNING TRAINING

State veterinarians have authority to monitor morning training and identify lame horses on the training track. Horses on the training track will be subject to the same evaluation protocol as horses during pre-race exams. Horses must jog past the state veterinarian for 8-10 strides when exiting the training track after exercise. Exercise riders can be asked to jog a questionable horse on the walking path after exercise to confirm a lameness seen on the track. Horses lame after morning training will be identified and placed on the Vet List if appropriate. Any horse that works out for an official time can have blood samples collected post workout.

WORKOUTS AND FIRST-TIME STARTERS

First time starters must have two published works within 90 days, one being within 60 days. All first-time starters must be approved by a Licensed Starter for proficiency in the starting gate within 90 days of the race entered.

VETERINARIAN'S EXAMS

Pre-race veterinarian examinations for all horses will be conducted starting at 9:00 am working from the outside barns inward. There must be a handler for the horses and the horse's legs must be unwrapped and clean for this examination. For further information please call the test barn or race office. State Veterinarian, Dr. Gerald Freeman at (979)244-6359

Lip Chains

Trainers will wrap all lip chains with leather or heavy tape wrap. Any part of the chain that contacts the horse's gums or corners of the mouth cannot be bare chain. Lip chains must be attached to provide some relief to the horse from constant chain pressure.

Ship-in Horses, Lasix & Pre-Race Exams

Pre-race exams will begin at 9:00 am to allow appropriate observation times by TXRC Veterinarians.

Texas Furosemide Program (Lasix) horses running in early races may need to be on the grounds earlier than listed above. Trainers are responsible for securing a veterinarian to administer timely Lasix for their horses. Please contact the test barn or race office for details.

PREFERENCE DATE SYSTEM

1. All horses intended for racing at GCFA will be assigned a preference date. Horses will not be able to receive a date until their foal papers are on file. *Horses not tattooed/chip verified are not eligible to receive a date.* Dates assigned are as follows:
Zero (0) - Date. This date will be assigned to all horses whose foal papers have been placed on file in the GCFA Race Office on or before **Tuesday, July 2, 2024.**
- E - Date** The day on which a horse's foal papers are submitted to the Racing Office after the last day for Zero-Dates.
- R - Date** This date will correspond to the day of a horse's most recent race at GCFA.
- S - Date** Will be assigned to a horse which scratches and has less preference than an R or E date of the same day.
2. Preference dates will not supersede the conditions of a race.
3. Preference dates are good at any distance.
4. Preference dates are good for all races, except for Stakes and Trial races.
5. A Zero-Date has first preference and an (E) date takes preference over a (R) running date of the same day.
6. Horses that run will receive a (R) running date corresponding to the date they race and lose all dates previously held. This excludes Stakes and Trials.
7. Any horse running in a Stakes race will retain its previously held preference date. When a horse's name appears in a race other than a Stakes race and is entered for the following day, such entry will be given no consideration should the race in which it is entered be overfilled.
8. Horses placed on the Veterinarian's, Starter's or Steward's list lose any preference date, except first time bleeders. Horses on these lists, will be given a Scratch date corresponding to the day they come off the list. On a non-racing day, the next racing day will be used.
9. Horses entered and scratched out of a race because insufficient works or ineligible to the race, etc., will receive a (S) Scratch date corresponding to the date they scratched.
10. Horses which have established a date at the current meeting will lose that preference date should their papers be withdrawn from the Racing Office, except Stakes races. Should a horse's papers be withdrawn from the Racing Office for just cause (i.e. change of ownership caused by a claim, Stakes races, etc.) the Racing Secretary may determine the status of the preference date established.
11. **Horses without foal papers on file will receive least preference, Except over Maidens entering in winners races.**
12. **Horses Not Tattooed/Chip Verified at Entry Time Will Not Exclude Any horses.**
13. **Maidens entering into a winners race will receive least consideration.**
14. There will be no special preference for Texas Bred Horses.

ENTRIES

1. For all races, the Racing Secretary is the person authorized to receive all entries and declarations.
2. The nominations or entries of any person or the transfer of any nomination or entry may be refused at any time.
3. No horse shall be allowed to start unless it is properly tattooed/chip verified and the registration certificate showing the tattoo/chip verification must be on file with the Racing Office not later than one hour before the post time of the first race of that day, unless the Stewards authorize their certificate to be filed at a later time.
4. Registration papers and a negative coggins test and piro test (QH, PT, AP, AR) report **drawn within the last twelve (12) months** must be in the Racing Office not later than one hour before post time for the first race of that day.
5. No horse shall be permitted to start whose name and true ownership is not registered with the Racing Secretary.
6. *When a person makes a double entry by ownership or trainership, they should declare a preference, if no preference is made, the entry with the better date will be preferred in an overnight race. Two (2) horses having common ties through ownership or trainership cannot be drawn into a race to the exclusion of a single interest (stakes excluded), Except over Maidens entering in a Winners race or when condition eligibility is involved.*
7. All 870 yard races will be limited to eight (8) starters. With preference to Quarter Horses
8. ANY HORSE THAT HAS NOT STARTED WITHIN A 365 DAY PERIOD NEEDS A LETTER OF SOUNDNESS FROM YOUR ATTENDING VETERINARIAN AND SUBMITTED TO THE RACE OFFICE PRIOR TO STARTING.

In the event that two or more time trial contestants have the same qualifying times, a draw by lot will be conducted to determine which horse will compete in the final.

A veterinarian who diagnoses an EIPH event in a horse participating in pari-mutuel racing in this state shall report the event to the commission veterinarian in a format prescribed by the executive secretary. On receipt of the first report of a diagnosed EIPH event for a horse, the commission veterinarian shall certify the horse as a bleeder. (2) A trainer may request that a commission veterinarian reconsider the commission veterinarian's diagnosis of an EIPH event by presenting the horse for re-examination within four hours of the initial diagnosis, or within one hour after a performance's last race, whichever occurs sooner. To receive reconsideration, the trainer must present the horse to the commission veterinarian for endoscopic examination as performed by a commission-licensed veterinarian.

(b) Admission to Furosemide Program.

(1) A trainer may admit a horse to the furosemide program by stating at time of entry that the horse will compete with furosemide. (2) A horse that competed with furosemide in its most recent start out-of- state must compete on furosemide in Texas unless withdrawn from the furosemide program at time of entry. (3) **The voluntary administration of furosemide without an external bleeding incident shall not subject the horse to an initial period of ineligibility under subsection (g) of this section.**

(c) Administration of Furosemide. Furosemide shall be administered to a horse in the furosemide program not later than four hours before the published post time for the race the horse is entered to run. The furosemide must be administered intravenously by a veterinarian licensed by the Commission. The executive secretary shall periodically publish the permissible blood levels of furosemide in post-race specimens and shall post the levels at each licensed racetrack.

(d) Requirement to Use Furosemide. A horse in the furosemide program in Texas must compete with furosemide until withdrawn from the program.

MEDICATION

(e) Withdrawal from Furosemide Program.

(1) To withdraw a horse from the furosemide program, the trainer must state his/her intention to race the horse without furosemide at the time of entry.

(2) A horse in the furosemide program that competes out-of-state without furosemide is considered to have been removed from the Texas furosemide program effective the date of its first race without furosemide.

(3) Withdrawal from the furosemide program does not prohibit a horse from subsequent readmission to the program in accordance with this section.

(f) Readmission to the Furosemide Program. A horse may be readmitted to the furosemide program if:

(1) at least 60 days have elapsed since the horse was withdrawn from the program;

(2) the horse is required to compete with furosemide pursuant to subsection (b)(2) of this section; or

(3) the commission veterinarian diagnoses the horse with another EIPH event.

(g) Bleeders List.

(1) The commission veterinarian shall maintain a list of horses that have been certified as bleeders and a list of horses that have been admitted to the furosemide program.

(2) On receipt of a report of a diagnosed EIPH event, the commission veterinarian shall place the horse on the veterinarian's list and the horse shall be ineligible to race for the following time periods:

(A) First incident - 12 days;

(B) Second incident within 365 days of previous incident - 30 days;

(C) Third incident within 365 days of previous incident - 180 days;

(D) Fourth incident within 365 days of previous incident - lifetime ban from racing in this state.

(3) A horse with fewer than four EIPH events that has not had a diagnosed EIPH event for a period of 365 consecutive days is considered a non-bleeder for purposes of this subsection. The report of a diagnosed EIPH event from any pari-mutuel jurisdiction which officially records EIPH events will be recognized as an EIPH event by the Commission.

(4) Notwithstanding the foregoing, if after reviewing a report of a diagnosed EIPH event the commission veterinarian determines additional days on the veterinarian's list are essential to the health and safety of the horse, the commission veterinarian may extend the number of days the horse is on the veterinarian's list. The commission veterinarian shall record the medical reasons for the additional days.

(h) Report by Veterinarian. A veterinarian who administers furosemide to a horse that has been admitted to the furosemide program shall report the administration on a form prescribed by the Commission. A report made under this subsection must be filed with the test barn supervisor not later than one hour before post time for the first race of that day.

PRE-RACE EXAMS:

The pre-race exams for all GCFA race dates will begin at 9:00 am. The TXRC veterinarians will begin performing pre-race exams in the end barns and then move inward towards the middle barns, etc... A Handler **MUST** be present at your assigned stalls when the TXRC veterinarian arrives. ***If you miss your pre-race exam, you must contact the TXRC Veterinarians at the Test Barn and bring your horse to them for the pre-race exam.***

Beginning in 2023 the **minimum number of days a horse is on the Texas Vet List** for a medical illness or non-race injury will increase from **4 days to 7 days**. Day 1 is the day the horse goes on the TXRC Vet's List; Day 7 is the day the horse automatically comes off the Texas Vet List. Day 8 is the first day the horse is eligible to race. **LIP CHAINS:** Trainers will be required to **wrap all lip chains with leather or a heavy tape wrap**. Any parts of the chain that contacts the horses gums or corners of the mouth cannot be bare chain. Lip chains must be attached so that the horse has some relief from constant chain pressure.

HAIR TESTING:

The Texas Racing Commission resumed hair testing on September 1, 2022, as set out in the Texas Rules of Racing. All breeds will be subject to hair testing at random or for cause, as determined by the TXRC.

CLAIMING RULES

RULE §313.303

a) A person who has a valid claim to a horse becomes the owner of the horse when the horse steps on to the racetrack for the race. This subsection applies regardless of whether the horse reaches the starting gate and regardless of subsequent injury to the horse during or after the race.

(b) On the day claimed, a claimed horse runs in the interest of and for the account of the owner from whom the horse was claimed.

RULE §313.304

(a) Except as otherwise provided by this section, a claim that is filed in accordance with this subchapter is irrevocable.

(b) If the stewards declare a claiming race a "no race," all claims for that race are invalid.

RULE §313.305

(a) To make a valid claim, a person must have on deposit with the horsemen's bookkeeper an amount equal to the amount of the claim, plus all transfer fees, in the form of cash, money order, certified check, or cashier's check.

(b) A person who files a claim may not exhaust the person's account with the horsemen's bookkeeper during the two-hour period after the claim was filed.

RULE §313.306

(a) A horse that has been claimed in a claiming race shall be taken after the race to the area designated by the association for delivery to the claimant, unless the horse is designated for testing.

(b) A person may not refuse to deliver a claimed horse.

(c) The registration certificate of a claimed horse, and both certificates of a dually registered claimed horse, shall transfer to the successful claimant.

(d) The engagements of a claimed horse automatically transfer to the new owner. A claimed horse is ineligible for entry in a future race unless the entry is made on behalf of the new owner.

(e) A horse may not be delivered to a successful claimant without written authorization from a steward or a designee of the stewards.

RULE §313.307

The trainer losing a horse through a claim is nevertheless responsible for the results of any drug tests performed on specimens obtained from the horse. The trainer is responsible for the horse during the testing procedures and may not deliver the horse to the successful claimant in the test barn until the commission veterinarian informs the trainer or representative that all testing procedures are complete.

RULE §313.308

(a) A horse claimed in a claiming race in Texas:

(1) may not be sold or transferred, in whole or part, by any method other than a claiming race during the 30-day period after the initial claim; and

(2) is ineligible to start in a race at a race meeting other than the one at which it was claimed until the end of the race meeting at which the horse was claimed, except in a stakes race after verification by the stewards.

(b) A horse claimed in another state is subject to the eligibility requirements for claimed horses in effect at the time of the claim in the jurisdiction in which the horse was claimed.

RULE §313.310 Claiming Races

(a) A horse that is claimed may not remain in the care or custody of the owner or trainer from whom the horse was claimed.

(b) A person may not claim more than one horse in a race nor submit more than one claim for a race. An authorized agent may not submit more than one claim in a race, regardless of the number of persons the agent represents. A trainer may not be listed as the trainer for a claimant on more than one claim in the same race.

(c) A person may not offer or agree to claim or refrain from claiming a horse. A person may not prevent or attempt to prevent another person from claiming a horse.

(d) A person may not prevent or attempt to prevent a horse from racing in a claiming race for the purpose of avoiding a claim.

(e) A person shall not claim a horse in which the person has a financial or beneficial interest as an owner or trainer.

(f) A person shall not cause another person to claim a horse for the purpose of obtaining or retaining an undisclosed financial or beneficial interest in the horse.

(g) A person shall not claim a horse or enter into any agreement to have a horse claimed, on behalf of an ineligible or undisclosed person.

The Horsemen's Bookkeeper, Inc.

In the State of Texas the horsemen's bookkeeping system is centralized by the Texas Horsemen's Partnership, in order to better serve the horsemen running at the numerous tracks throughout the state. It is now similar to branch banking. This means that any necessary account maintenance can be done from any racetrack running a live meet in the state and through the Texas Horsemen's Partnership's main office in Austin year round.

Horsemen's Bookkeeper Requirements

Prior to starting a race an owner must have on deposit with the Horsemen's Bookkeeper the amount required to cover all costs incurred in starting that horse.

Prior to putting in a claim for a horse the owner or their Designated Representative must insure that all funds incurred with claiming a horse are on deposit in said account.

The following are the phone numbers for the numerous branch bookkeeping offices throughout the state:

- Lone Star Park (972) 237-5094 AM

ACCREDITED TEXAS-BRED PROGRAM

If an Accredited Texas-Bred horse runs first, second or third in any race at any Texas tracks (other than a Stakes restricted to Accredited Texas-Breds), the owner will receive an owner incentive award through the Accredited Texas- Bred Program.

Accredited Texas-Bred owner incentives will be paid by the Texas Quarter Horse Association at the end of each meet. That means Accredited Texas Breds run for more money than horses foaled in other states that are running in the same race.

Incentive awards are distributed 50% to first, 30% to second and 20% to third. Additional ATB awards for breeder and stallion owners are paid at the end of the meet through the office of the Texas Quarter Horse Association.

Approximately one million in bonus awards are distributed annually through the accredited Texas Bred Program for eligible owners, breeders and stallion owners.

For more information on the Accredited Texas Bred Program contact the TQHA at; 512-458-5202 or by fax at 512-458-1713. Email: ssherwood@tqha.com

ACCREDITED TEXAS-BRED PROGRAM

To encourage the breeding of horses in this state, any accredited Texas-Bred horse finishing first, second or third in any race in Texas (other than a stakes race restricted to Accredited Texas-Breds) may be eligible for Owner, Breeder and/or Stallion Awards through the ATB Incentive Program.

Funding for awards is derived from breakage and 1% of all multiple wagers at each racetrack, with each racetrack generating awards funds only for the horses racing at that track. From the total generated, award funds are separated into categories for eligible owners (40%), breeders (40%) and stallion owners (20%). Additionally, the first 25% of all awards generated is set aside for Owner Bonus Awards, paid to owners of ATB horses finishing first, second or third in open company races. The Owner Bonus is in addition to regular ATB Owner Awards.

In this condition book, the acronym ATBOIA appearing in parentheses in race conditions after the amount of the overnight purse stands for estimated Accredited Texas-Bred Owner Incentive Awards.

Owner incentive awards are not considered part of the purse, and therefore, are not subject to deductions for jockey fees.

The amount of the estimated ATB owner incentive awards available for each race restricted to Accredited Texas-Breds will appear like the following example: (Plus \$1,000 ATBOIA).

The amount of the estimated ATB owner incentive awards available for each open company race will appear like the following example: (Plus up to \$1,000 ATBOIA).

All ATB Incentive Program awards – owner bonus, owner, breeder and stallion owner - will be paid by the Texas Thoroughbred Association approximately four weeks after the meet has ended.
