

Dear New and Returning Members of Bay Area Professional Family Child Care Network:

Thank you for joining or continuing your membership, which, for \$60 annually, includes...

1. Peer-to-Peer Support (Tuesday Talks - 1st Tuesday every month via zoom)
2. Networking and Resource Assistance
3. Privileges on Our Private Facebook Group
4. Virtual and In-Person Home Tours
5. Trainings, Webinars, Conferences and Professional Development Opportunities

Please note, dues are not pro-rated – everyone plays the same annual fee regardless of when they join during our fiscal year, which runs from July 1 to June 30. Membership renewal occurs by or before June 30 each year.

BAPFCCN is the only professional, 501c3 organization in Contra Costa County dedicated exclusively to licensed family child care providers. Our Mission Statement...

The Bay Area Professional Family Child Care Network is dedicated to supporting family child care providers, in California and beyond, reach higher standards consistent with current research in the early care and education field by providing resources, information, and training to enhance a safe and healthy home environment for children and families. Our organization is also a vehicle for developing a sense of community among family child care providers by promoting peer support and camaraderie through various programs and activities.
