

September 17, 2025 Fall into Bulbs Good Golly It's Garlic
Joan Crall, Lincoln County Master Gardener

Joan completed her Master Gardener education & training in 2021, previously served as the Co Vice President of their Board of Directors and is currently the Herb Lead for their annual Plant Sale. She is also the Co-coordinator of the South Beach Demo Garden at Oregon Coast Community College and mentors Master Gardener apprentices there. Her active

teaching includes growing Fall Bulbs, Garlic and Herbs.

Joan is an active promoter of Pollinator Habitat and Protection. She moved here from Montana 7 years ago, where she grew garlic and vegetables for 30 years.

October 15, 2025 Hi, Ho Hydrangeas

Jeff Cope, Home Grown Gardens Nursery & Landscape

Jeff is General Manager and Co-owner of Home Grown Gardens in Corvallis, a retail nursery where he provides professional landscape consulting and design and tries to stay out of the way of his staff of 20 employees.

He is an Oregon licensed landscape contractor, nurseryman, board certified Master Arborist and Organic Land Care Practitioner whose education includes a B.S. in Landscape and Horticulture from Cal Poly, SLO and a Masters in Public Administration from Cal State, Northridge. Jeff taught horticulture at Santa Barbara City College, was V.P. of Horticulture at Santa Barbara Botanical Garden and Park Manager for the city of Santa Barbara for 18 years.

Since moving to Corvallis in 2007 he has served on the Civic Beautification and Urban Forestry Committee and was appointed by the governor to serve on the Oregon Landscape Contractors Board. He was fortunate to have a neighbor at the age of 12 who taught him proper hedge, rose and citrus care, sparking his career in horticulture

November 19, 2025 Roses are red, Hellebores are not, they both add beauty to ground or to pot.

Mary Koebel, Garland Nursery

Mary is a Master Gardener and is self-taught regarding roses and hellebores, aka Lenten or Christmas roses. She currently works for Garland Nursery.

Mary's first flowers were roses and she has been a gardener for 40 years, growing hellebores from seed. She has gained knowledge from touring nurseries and reading many books over the years.

*"Roses are
Red,
Hellebores
are not, They
Both add
Beauty
To Garden or
Pot."*
