When you cruise with Norwegian, the awe of Alaska stays with you throughout your cruise. From hiking up snow-capped mountains and witnessing majestic whales splash in the Pacific to coming back on board and catching an amazing show followed by an equally amazing starlit stroll on the top deck. So come aboard the youngest fleet cruising Alaska, choose from our award-winning ships and feel what it's like when you let the outside in.

Just outside of Juneau is where you'll find the majestic Mendenhall Glacier. Walk the nature trails and explore the Visitor Center with its view of the Juneau Ice Field. Icy Strait Point is home to the largest Native Tlingit village in the state and its waters are teeming with wildlife, including orcas and humpbacks. Since every shop at Icy Strait Point is Native-owned, this is the place for authentic goods and handicrafts. Your last port is Victoria, the oldest city in the Pacific Northwest. With its green spaces and Victorian architecture, it is stunning. See Butchart Gardens and the stately Craigdarroch Castle.
