

Guddi to gaddi

Shoba De in her Anti-column (October 6) has encouraged Jaya Bachchan to contest the byelection from Amethi. This would spell disaster not only to herself but also to the film industry. She should learn a lesson from her husband's fate in politics.

She is now rendering yeoman service to the film industry by being the president of Children's Film Society and is striving for its overall development. Let us hope that Jaya Bachchan would make a wise decision.
