

Filmy talk won't do

Sir, - Mr.Rajesh Khanna has called Shatrughan Sinha as his brother and has criticized BJP for pitting `brother against a brother' (IE.Oct.19). While Mr. Khanna's magnanimous nature is appreciable, the inner motive in calling Shatrughan as his brother is not understood. The statement is more like a filmy dialogue.

If Mr. Khanna really treats Shatrughan as his brother, he should be sportive enough to sacrifice the New Delhi seat for his brother. Obviously Mr. Khanna is bringing new relations in a desperate attempt to attract voters to his side. Congressmen won't hesitate to create any sort of relationship with anyone at the time of elections.

Mr. Khanna should realize that he is no more in the fantasy *filmi* world but in real politics, that too contesting a prestigious seat to Parliament.
