

## Jeevana Chaitra

---

When Vishwanathaiah leaves home to visit places, he travels in a KSRTC bus which is a Tata model. However, when the breaks fail and the falls into a valley it turns into an Ashok Leyland model! Also, just before the famous song, 'Nandamaya', Vishwanathaiah is shown lying on a snow hill. To indicate that he has been there for a considerable length of time, some snow is shown to have set on him. But audience can see that these are actually pieces of solid ice sprinkled on his face and it looks too artificial.
