RESOLUTION #1 – SIDING REPLACEMENT

PREAMBLE: The siding replacement has been on the council meeting agenda for over 5 years and the current strata council would like to move forward on this project to ensure our building envelope is protected and thus reducing further damage, if any, from the weather conditions the siding has experienced over the past 33-years.

The strata council had requested quotes to replace all the cedar siding. After review of the quotes and discussion on the quality of the proposed material, the strata council has narrowed the resolution down to two options:

Resolution 1.1: Replace Current Siding with Hardi Board Siding for a total of \$194,000.00 (this includes a 10% contingency for the project) with \$94,000.00 being collected by Special Levy of the Owners and \$100,000 being withdrawn from the Contingency Reserve Fund.

Attached you will find a copy of the current financial statements which shows the balance of the Contingency Reserve Fund (CRF). After review of the financial statements, and in an effort to not burden the owners with a large special levy, the strata council has proposed a split resolution; this would require a partial CRF payment and special levy to cover the total cost of the siding project.

RESOLUTION 1.1 – HARDI SIDING REPLACEMENT AND FUNDING

"BE IT RESOLVED by a ¾ (three-quarter) vote of the Owners of Strata Plan NW2912 at the Annual General Meeting held on June 28, 2023, to approve a Special Levy in the amount of \$94,000.00 in proportion to the unit entitlement as set out in the attached Schedule "A", and in addition, pursuant to Section 96 (a)(b) of the Strata Property Act, a withdrawal of \$100,000.000 from the Contingency Reserve Fund for the purpose of replacing the current siding with Hardi Board siding. The Special Levy shall be assessed and shall become due and payable upon the passing of this resolution at the Annual General Meeting held June 28, 2022. The levy must be paid by/on August 1, 2023. No penalties will be applied if payments are received on or before August 1, 2023. Any Owner who fails to make payment in accordance with this resolution will be charged interest on the late payment in the amount of 10% per annum, compounded annually and calculated on a monthly basis commencing from the date the payment was due and continuing until the last day of the month in which it was paid. Pursuant to Sections 108(5) and 108(6) of the Strata Property Act, if any Owner is entitled to receive a refund of more than \$100.00 (one hundred dollars) from any unused portion of this special levy, a refund will be issued to the current Owner at the time of the refund. Otherwise, any funds not spent for this project will be transferred to the Contingency Reserve Fund at the end of the fiscal year." -- END OF RESOLUTION --
