The Move Coordinators

OUR PROCESS

- 1. Gratitude:** Every move begins with appreciation for your trust in us.
- 2. Discovery Session:** We meet to understand your goals, individual needs, and timeline so we can empower you to move when you want to.
- 3. Partnering:** Collaborating and contracting to insure our services are customized to exceed your needs.
- 4. Custom Move Plan:** A step-by-step plan for sorting, space planning, and logistics - designed just for you.
- 5. Preparation:** We help sort and pack your belongings, focusing on what you need, use, and love. This ensures a seamless transition to your new address.
- 6. Move and Settle:** On move day, we manage all of the logistics as well as unpack your belongings and settle you in your new address.
- 7. Wrap-Up and Gratitude:** We ensure every detail is handled so your new space feels like home.

Our process begins and ends with
GRATITUDE

**Our unwavering
focus is on YOU.**
