

HUNTINGDON BEARCAT BOYS SOCCER HISTORY

People have produced a lot of good things as the result of a labor of love. For myself, I've always loved statistics. It doesn't matter the sport. I'll read them. Look them up. I like doing the stats, that's just how it's always been for me.

This project wasn't something anyone asked me to do. I just decided one day to work on chronicling the history of the boys' soccer team. I saw at least half of it myself if not a little bit more. I wanted to put all the results into a format to look things up whenever I thought of something, such as last win or loss against a team, streaks, goals scored or allowed, etc.

This handbook to the boys' soccer team should do that. I kept thinking of more things to add. A list of all the coaches, the playoff records, and all-time win-loss mark. There are some gaps to fill in. I will continue checking The Daily News office for the all-star players in the years I'm missing. I want to add a section on individual scoring records for the players. Right now I don't have enough of the past season stats to do that. I have some other team oriented highs and lows that I will add at a later date.

I think this is good enough to give people some reading material and learn about the program. Huntingdon is one of the earliest schools to start a soccer team in the 1980s. The Bearcats continue to put a quality team on the field 30 years later.
