Dear Friends & Sponsors,

The Mrs. Claus Club of Bentleyville is proud to announce that we are celebrating our 14th year of providing essential services to our families in need, including wigs, comfort baskets, patient treats, and meals. The comfort baskets mentioned are specialized to the recipients' needs, offering comfort items recommended by oncologists to help ease the side effects of treatments, as well as gas cards to ease the burden of transportation and a wig certificate for those wanting some normalcy during this time. The baskets also contain personal touches based on the recipients' interests and hobbies. This personalization allows the recipients to see how important each of them are to the ladies of the Mrs. Claus Club.

The Mrs. Claus Club also coordinates an Art on the Cart program with the Children's Hospital of Pittsburgh, as well as providing meals at the Ronald McDonald House. With continual budget restraints in the medical field, non-profit organizations like the Mrs. Claus Club are called upon to help fill patient requests.

Our mission will continue, but we need your help more than ever this year! Due to COVID 19 our one and only annual fundraiser is cancelled. The Ladies will not be able to gather to support one another and generate funds to continue our mission. Please take a moment to visit our website to see the impact that the Mrs. Claus Club has had on those fighting the fight:

Mrsclausclubofbentleyville.com.

How Can You Help?

This year we were forced to think of alternate fundraising ideas, for 2020 we are trying to generate a countdown to Christmas Calendar. **We are seeking donated items for our calendar. Any gift, service, certificate, or company merchandise would be appreciated. Monetary donations are welcome, and 100% of those funds will be used to purchase items for our recipients. All donors will be acknowledged on our Calendar, FB page and website.**

Over the past 14 years, the Mrs. Claus Club has provided 903 comfort baskets and touched the lives of thousands. Imagine what we can do with your continued support! To donate, please complete the bottom portion of this letter and return it to **The Mrs. Claus Club (address at top) by August 10th, 2020.**

Sincerely,

Virginia Vasko

Megan Winnett Ruse

Shelley Homme Loughman

Carrie Fundy
