Dear Friends and Sponsors,

The Mrs. Claus Club of Bentleyville, is proud to announce that we are celebrating our 15th year of providing wigs, comfort baskets, patient treats and meals to our families. Our baskets are specialized to our recipients needs, offering comfort items recommended by oncologists, to help ease the side effects of treatments as well as gas cards that may ease the burden of transportation. The baskets also add a personal touch based on their interests and hobbies, letting them know they are truly special to the Ladies of the Mrs. Claus Club.

Mrs. Claus also offers an Art on the Cart program to Children's Hospital, as well as meals at the Ronald McDonald House. Our organization has extended their hands to ease the burden of many going down this difficult road. With continual budget restraints in the medical field non-profit organizations like the Mrs. Claus Club are called upon to help fill patient requests. **Our mission will continue, but we need the help of you! You our friends of Mrs. Claus can continue to help support our fighters and honor our survivors at our 2021 event. We are here to comfort our fighters, honor our survivors and cherish the memories of loved ones we have lost.** Please take a moment to visit our Facebook page **MRS CLAUS CLUB OF BENTLEYVILLE** as well as our website to see the impact that Mrs. Claus has made on those fighting the fight. mrsclausclubofbentleyville.com
