PARENTAL AGREEMENT & CONSENT FORM

Child's Full Name: _____

<u>Terms</u>	<u>Initials</u>
<p><u>General Information:</u> Our hours of operation are Monday through Friday from 7:00AM to 6:00PM. Holiday Closures: Federal Holidays, 11 per year. Please see our School Calendar for specific dates.</p>	
<p><u>Daily Schedule:</u> The daily schedule is posted in each room and can be provided to you at the front office. Daily schedules will contain specific times of events in your child's classroom for that day.</p>	
<p><u>Open Door Policy:</u> You understand that Moppets has an open door policy and that you are encouraged to drop by at any time to observe your child, participate in the daily activities of the classroom or just visit. <i>And because it is so important, we say again...Parent visits are ALWAYS welcome at any time with or without notice!</i></p>	
<p><u>Outdoor Play:</u> Except during inclement weather, children play outside daily. You understand that you are responsible for providing appropriate, labeled clothing for outdoor play. Further, <i>you understand that if your child is too ill to play outside, he or she will not attend school.</i></p>	
<p><u>Sunscreen/Bug Spray:</u> You give permission to Moppets' Staff to apply both sunscreen and bug spray to your child. This permission applies unless your child has an allergy or reaction to these topicals. If so, you will list the allergy or reaction on the medical information sheet of this enrollment application.</p>	
<p><u>Permission to Swim in Onsite Pool:</u> You give permission for your child to swim in the onsite swimming pool. You understand that teachers will use their best supervision to ensure that your child is safe. You understand that it is your responsibility to provide a life preserver. All children must be fully potty-trained (accident free for 2 weeks) to swim in the pool.</p>	
<p><u>Accident Reports:</u> You understand that in the event of an accident or injury THAT REQUIRES MORE THAN A HUG to resolve, you will be offered an accident report which details the cause and conclusion of the accident or injury. If a child has an injury or accident that requires only a hug to resolve, the parent will be notified just verbally. Any accident which leaves broken skin or bumps will require an accident report to inform the parent. SEE OUR HEALTHCARE POLICIES IN THE OFFICE FOR FULL DETAILS.</p>	

<p><u>Authorization for Photography:</u> Moppets faculty and children’s parents enjoy photographing and videotaping students for use in bulletin boards, art projects and school related displays. Events at which photographs and/or videotapes are taken include birthday parties, holiday celebrations, special activities and events, and theme days. By initialing this section, you give our faculty and children's parents’ permission to photograph and/or videotape your child. Under NO circumstance will these pictures and/or videos be used in advertisements, commercials or other promotional materials. Parents are allowed to make personal use only of these photos, and they may not be disseminated for any reason.</p> <p>Further, by initialing this section, you agree that no photograph or video can be used by persons other than the parent(s) of the children at Moppets and that pictures and videos may not be sold, bartered or otherwise removed from your possession. Under no circumstance may these videos or photos be used for commercial purposes.</p> <p>Moppets does not post photographs of children on any social media platforms, including but not limited to, Facebook, Instagram, Snapchat, LinkedIn, etc.</p>	
<p><u>Drop Off & Pick Up Safety:</u> During drop-off, please make sure your children and any belongings are in the care of the teacher before you leave the classroom or playground. For the safety of your children, it is important that the teacher acknowledge your child before you leave. Once you have entered the children’s area at pick-up and have made eye contact with your child, you are responsible for the care, safety and well-being of your child. As we are certain you understand, your child will always be more responsive to you than to a faculty member.</p> <p>It is your responsibility to escort your child to the appropriate location, whether the classroom, the pool or the playground. Please familiarize yourself with the classroom schedule.</p>	
<p><u>Health Care Policies:</u> Our complete Center and Health Care Policies are posted in the office.</p>	
<p><u>Sick Child Policy:</u> To help us better contain a contagious illness, we have developed the following policy. If your child exhibits any of the following symptoms, they must be kept out of school until they have been symptom-free for 24 hours or have a physician's approval to return. Please have your pediatrician send permission for us to administer ibuprofen, cough & cold, toothache remedy, etc.</p> <p>Fever of 100°</p> <p>Cough/achiness consistent with colds and flu</p> <p>Vomiting more than two times in 1 hour</p> <p>Diarrhea more than two times in 1 hour</p> <p>Combination of vomiting and diarrhea more than two times in 1-hour Symptoms which are consistent with known viruses</p> <p>Nasal discharge (you know, the green or yellow slimy kind) which is consistent with any contagious condition/virus.</p>	

<p><u>Flu Policy:</u> After a flu diagnosis, a child’s return to school is only allowed in the following manner: (A) Return to school with a confirmed diagnosis and doctor's release (Moppets to verify using parent signed HIPAA Release) and three days fever free without medication; or (B) Return to school five days after fever breaks and symptom-free. This usually will mean seven days from the time fever is noticed (whether at school or home). The CDC quite clearly states that children can remain infectious for up to 5 days after fever breaks. See CDC.GOV and search Influenza A. In conjunction with our Health Care Consultant and CDC Guidelines this policy and options for compliance were developed.</p>	
<p><u>Closures:</u> Should the Center close for snow or other natural or unforeseen phenomenon, parents will be notified and given a maximum of 1 hour to pick-up. Should we be unable to reach you or should you choose not to pick-up within the allotted hour, we will add a late fee of \$8 per minute to your account. The Center makes every effort to open during regularly scheduled school days. However, circumstances may arise which force us to close. Some examples include severe snow or ice, power outages, fallen trees, lack of heat or running water. In the event of unforeseen closures, parents are responsible for full tuition, without offset or reduction.</p>	
<p><u>Authorization to Obtain Medical Information & Administer Medication:</u> Moppets requires you to provide medical information, including immunization records, physical examination results, lead test results and other related information. Also, from time to time your child may need medication. Prescription medication must be in the original container, labeled with the child's name and dosing instructions AND you must complete a Medication Authorization/Log Form. For non-prescriptions, you must complete a Medication Authorization/Log Form which is valid for a maximum of 1 year. During flu season we may ask for HIPPA release to verify flu results. If your child requires DEA level II-V (INCLUDING psychiatric medications), these meds will be locked and secured in the director’s office. Emergency medications, including, but not limited to inhalers and Epi-pens are allowed within the classroom. Teachers keep these meds out of the reach of the children, but easily accessible to themselves. Any unused medication that stays in the center for more than 24 hours will be disposed of by the staff. We do not allow staff to provide children with medications unless we have a signed authorization form for that specific medication. The first dose of a medication is not permitted without written consent.</p>	
<p><u>SIDS Risk Reduction:</u> To help reduce the risk of SIDS within our center, we put all children under the age of 1 year on their backs to sleep. If you have any special requirements for your child’s sleep position, you must provide written consent, as well as your doctor’s permission to change sleep positions.</p>	
<p><u>Emergency Evacuation:</u> You are responsible for familiarizing yourself with our emergency evacuation policy and protocol. It is posted in the front office. A copy can be made available to you upon request.</p>	

<p><u>Vaccinations/Immunizations:</u> Moppets follows Massachusetts state requirements regarding vaccinations/immunizations. More specifically, no student shall attend Moppets without a certificate of immunization documenting that the child has been successfully immunized in accordance with current Massachusetts Department of Public Health required immunization schedules. This requirement shall not apply where the parent/guardian of the child meets the standards for a medical or religious exemption, accompanied by the appropriate documentation supporting the reason for the exemption, as recognized by Massachusetts law.</p> <p>If your child meets the standard for a medical exemption, you must provide Moppets with medical documentation, signed by your child’s physician outlining the exact reason for the medical exemption. This documentation will be required to be updated on an annual basis.</p> <p>If you are seeking a religious exemption to the vaccination/immunization requirements, you must provide Moppets a written statement citing the fact that immunizations/vaccinations conflict with your sincere religious beliefs.</p>

<p><u>Pre-Kindergarten Program:</u> The Pre-K program at Moppets is not certified by any town or city. Each city/town has specific requirements for entering the first grade. Usually, cities and towns do not require Pre-K as a prerequisite to enrolling your child in Kindergarten, however, you should verify the Kindergarten requirement with your hometown or city.</p>

POTTY TRAINING POLICY

All children must start the potty-training process at home. Once they are using the toilet successfully at home please notify their teachers and we will begin by asking them if they would like to use the toilet here at school. We will offer parent approved rewards for success (M&M's, stickers, marshmallows). We will ever not force a child to use the toilet.

Moppets provides diapers in our infant and toddler programs. This includes the toddler/pre-school mixed group upstairs. Pull-ups are not allowed in the center unless they have break-a-way sides. If you choose to use pull-ups you must provide your own.

Once a child can do the following tasks they are ready to be in underwear at school.

1. Has had success using the toilet for *peeing and pooping* at home on a regular basis,
2. Children must be able to pull up and down their own pants and,
3. Must be able to tell a teacher they would like to use the bathroom.

Moppets is taking precautions, we know that accidents are expected during training, - it's a normal part of the learning process. Feces and urine are transmission based fluids, they need to be contained within the diaper or pull-up, they carry lots of infectious organisms.

When waste material is not contained, sanitation and disinfection policies must go into effect. The method used for cleaning bodily hazards is extensive. Because of this all children that are potty-training and in underwear, after one accident, the child is released to diapers for the day to let them relax. If they ask the teacher to use the bathroom they can but will stay in diapers/or home pull-up for the day. They can try again in underwear the next school day.

In order to use the pool and receive a pre-school rate, children must be accident-free in underwear for two-weeks.

THIS IS FOR THE SAFETY OF ALL CHILDREN. ALL CLEANING IS DONE DAILY!
