Letter from the President

Just back from a family vacation to the Outer Banks of North Carolina. Sunday was a beautiful, sunny day with pleasant temperatures and gentle breezes – a perfect day for a wild horse safari. Bouncing along the sand dunes in the back of a Hummer beyond the end of paved roads is a good way to look for wild horses (or to send one off seeking a chiropractor). As usual, we managed to schedule a visit at the same time that hurricane Maria was passing by offshore in a huff (and puff). Luckily, no significant storm damage or rains, just gusty winds. Trips to the beach were limited by high surf, rip tides, blowing seafoam, and risk of being sandblasted. (Good thing that the sun wasn't out or our shadows would have blown loose!) A few showers fell on Tuesday and Wednesday, but not enough to drown you if you looked up.

July Board Meeting!

Letter from the President

Strange that we’re already 2/3 through summer. We have gone from cool and wet to warm and dry. I guess that it’s nice not to have to mow the lawn twice a week, but I prefer moderation in all things (including moderation!). After all the years that I’ve spent in Ohio, I should know better.

I’d like to welcome Kathy Takanen to the FoMPBC board of directors. Kathy has coordinated photographer volunteers from the West Chester Photography Club at MPX activities for several years.

At least some of the park activities have, Cardboard Regatta last month and Mud Mania this month, involved water. After a wet spring and early summer, lately it’s so dry that trees are following dogs down the street.

Speaking of dogs, work on the expansion of Wiggly Fields dog park at VOA is nearing completion. The Chuck Holliday memorial bench has recently been installed. Formal dedication is scheduled for early fall. Watch this newsletter next month for time and date.

We are down to the last Hump Day concert next week. Plan to join us next week to enjoy a concert by the Barefoot Movement. Bring your folding chairs and picnic dinner (or sample the selections available from the VOA kitchen) and join us lakeside next Wednesday. Who knows, you may even win the last Split-the-Pot drawing of the year.

See you in the parks!

Bill Walker, President FOMPBC

**Kroger Community Rewards Update**

FOMPBC organization # TM866

Kroger is committed to helping our communities grow and prosper. Year after year, local schools, churches and other nonprofit organizations earn $4 million in Greater Cincinnati, Dayton and Northern Kentucky through their Community Rewards program. FOMPBC is one of the Many wonderful organizations that benefit from this program.

**How Can YOU Help Us?**

In April 2017 Kroger’s updated their Community Rewards process and software. As of April, supporters will no longer have to re-enroll their Kroger Plus Card to earn dollars for your organization. This will make it easier for you to support us! Please take a moment and make sure you are enrolled and supporting FOMPBC.

[https://www.kroger.com/account/enrollCommunityRewardsNow](https://www.kroger.com/account/enrollCommunityRewardsNow)

Once you’re enrolled you will earn rewards for FOMPBC every time you shop and use your Plus Card.

**Amazon Smile**

**What is Amazon Smile?**

Amazon Smile is a simple and automatic way for you and your family to support FOMPBC every time you shop from Amazon, at no cost to you. Instead of shopping at Amazon.com you go to [https://smile.amazon.com](https://smile.amazon.com). You will find the exact same low prices, vast selection and convenient shopping experience as Amazon.com, with the bonus that Amazon will donate a portion of the purchase price to FOMPBC.

To make a reservation please see the annual meeting invitation in the April issue of the Voice. Or, call 513.593.2735, or email [kochtrees@gmail.com](mailto:kochtrees@gmail.com).

**Farm Animal Fund**

Chrisholm Farmstead MetroPark is almost ready to begin adding livestock to the new pens. Because MPX can only make purchases from pre-approved vendors, this red tape makes it difficult to buy animals from individual farmers. Our status as a 501C3 tax-exempt non-profit group makes it possible to streamline livestock purchases for Chrisholm. We have set aside a special account for such purchases. Please send your tax-free donation to: Friends of MetroParks of Butler County PO Box 691, Hamilton, OH 45012

Please make sure to make a note on the memo line of your check “Chrisholm Animal Fund” to make sure your donation helps populate the new FarmScape.

**Kayaking in MetroParks**

Kayaking is one of the many family friendly opportunities that MetroParks has to offer. It’s not only an excuse to get out of the house but can be a way to better connect with the nature around us. There are certain fishing spots that are only available via kayak. Kayaking gives you the opportunity to catch many local species such as: Largemouth Bass, Black Crappie, or Bluegill.
You’ll also get a chance to see certain bird species that live on or near the water, such as Green Herons, Belted Kingfishers, and during migration, Common Loons. If you’re looking for a way to get the family together during the weekend, kayaking can be a great reason to spend a few hours on the water exploring all the beauty that MetroParks has to offer. It’s also a good workout for those looking to burn some extra calories.

While kayaking is not available at all locations of the MetroParks; several parks have accessibility to kayaking. Voice of America MetroPark is a great place to try out kayaking for the first time without having to commit to buying a kayak. Single or tandem kayak rentals are available during Wheelhouse hours for those who are interested. Rentschler Forest MetroPark is another great location to kayak for those that already have kayaks to get in the water for a few hours. The park is built alongside the old Miami-Erie canal, and offers terrific fishing opportunities for those willing to get on the water. Another location is Sycamore Bluffs, which has a boat launch for Four Mile Creek.

With all of the fun that kayaking offers, it is important to take into consideration all of the safety protocols that must be followed in order to ensure that everyone involved has a fun, yet safe experience. With how hot the weather is this time of year, please ensure that you have enough water to drink. Also, make sure that you have adequate sun protection gear, whether that be sunblock, sunhats, or SPF blocking clothing. Always follow the Ohio boating rules, and if you intend to kayak alone, make sure to tell someone when and where you plan to go. Another thing to be cautious of is to never exceed the weight capacity of your kayak. But most importantly, make sure that you are wearing your personal safety floatation device. Following these steps will ensure that you and your loved ones will be safe out there on the waves.
