Letter from the President

Just back from a family vacation to the Outer Banks of North Carolina. Sunday was a beautiful, sunny day with pleasant temperatures and gentle breezes—a perfect day for a wild horse safari. Bouncing along the sand dunes in the back of a Hummer beyond the end of paved roads is a good way to look for wild horses (or to send one off seeking a chiropractor).

As usual, we managed to schedule a visit at the same time that hurricane Maria was passing by offshore in a huff (and puff). Luckily, no significant storm damage or rains, just gusty winds.

Trips to the beach were limited by high surf, rip tides, blowing seafoam, and risk of being sandblasted. (Good thing that the sun wasn't out or our shadows would have blown loose!) A few showers fell on Tuesday and Wednesday, but not enough to drown you if you looked up.

September Board Meeting
Friends of MetroParks of Butler County
Wednesday, October 9, 2019
River Center MetroPark
120 Carmody Blvd., Middletown, OH 45044
7:00-9:00 PM
Letter from the President

As I mentioned last month, while waiting to see what damage Hurricane Dorian would do to the US coast, we are presently vacationing at Nag’s Head, NC. Luckily, damage to the Outer Banks was limited to flooding on Ocracoke Island and sand drifting across Hwy 12 on Hatteras Island. Our timeshare still has stacks of sandbags standing ready by the front door of each unit. I guess that they’re ready for the next storm surge or attack by a pride of house cats. Please pardon me for dropping sand into your newsletter, but it’s so hard to get it off one’s feet when coming in from the beach.

I was sorry to receive the resignation of Abby Ison from the Board of Directors of Friends of MetroParks. Abby was one of the original board members of FoMPBC, and has been active in many of our activities. We wish Abby and Bill all the best, and hope to see them frequently in the parks.

On a related note, we welcome new board members. We now have three vacancies on the board, and would encourage our membership to volunteer. (Please note that, unlike our past president, I said “volunteer”, not “voluntold”. ) Please submit nominations to bug_jock@yahoo.com.

Thanks to Friends of Chrisholm for their $2500 contribution to the Farm Animal Fund. FoMPBC is working with MPX to become an approved vendor to facilitate animal acquisition for the farm.

Members of FoMPBC are invited to join us at MillerCoors Brewery, in Trenton, OH, on Saturday, October 12 for a tour of their wetlands, followed by a tasting opportunity. Meet in the parking lot at the brewery at 4:30pm for car-pooling to the wetlands. Attendees should be of legal drinking age and should come prepared for bird watching. Please RSVP to bug_jock@yahoo.com before Wednesday, 10/9, letting us know how many from your family will join us. Maria Cruset, Environment Officer from MillerCoors will share with us steps that the plant has taken to prevent pollution and reduce their environmental footprint.

There are lots of activities scheduled in the parks for October. Coming up are many more exciting programs for kids of all ages.

See you in the parks!

Bill Walker, President FOMPBC

Kroger Community Rewards Update

FOMPBC organization # TM866

Kroger is committed to helping our communities grow and prosper. Year after year, local schools, churches and other nonprofit organizations earn $4 million in Greater Cincinnati, Dayton and Northern Kentucky through their Community Rewards program. FOMPBC is one of the Many wonderful organizations that benefit from this program.

How Can YOU Help Us?

In April 2017 Kroger’s updated their Community Rewards process and software. As of April, supporters will no longer have to re-enroll their Kroger Plus Card to earn dollars for your organization. This will make it easier for you to support us! Please take a moment and make sure you are enrolled and supporting FOMPBC.
https://www.kroger.com/account/enrollCommunityRewardsNow

Once you’re enrolled you will earn rewards for FOMPBC every time you shop and use your Plus Card.
Amazon Smile

What is Amazon Smile?

Amazon Smile is a simple and automatic way for you and your family to support FOMPBC every time you shop from Amazon, at no cost to you. Instead of shopping at Amazon.com you go to https://smile.amazon.com. You will find the exact same low prices, vast selection and convenient shopping experience as Amazon.com, with the bonus that Amazon will donate a portion of the purchase price to FOMPBC.

To make a reservation please see the annual meeting invitation in the April issue of the Voice. Or, call 513.593.2735, or email kochtrees@gmail.com.

Farm Animal Fund

Chrisholm Farmstead MetroPark is almost ready to begin adding livestock to the new pens. Because MPX can only make purchases from pre-approved vendors, this red tape makes it difficult to buy animals from individual farmers. Our status as a 501C3 tax-exempt non-profit group makes it possible to streamline livestock purchases for Chrisholm. We have set aside a special account for such purchases. Please send your tax-free donation to: Friends of MetroParks of Butler County PO Box 691, Hamilton, OH 45012

Please make sure to make a note on the memo line of your check “Chrisholm Animal Fund” to make sure your donation helps populate the new FarmScape.

Mess is Best

By Lara Askill, Ag Ed Farm Manager

When it comes to fall and early winter gardening cleanup have you ever heard the term “mess is best?” Many homeowners place their leaves in plastic garbage bags and set them out for the trash. Stop! It is much better to leave them in your yard in one way or another. Mulching leaves in place with your lawn mower will add natural fertilizer to help it stay healthy through the winter. Too many leaves to mulch? Just rake them up and throw into a pile in the back of your yard. Some of our moth and butterfly caterpillars and adults overwinter inside these leaves. Plus, several species of other insects, amphibians, reptiles and mammals rely on leaf litter for food and shelter throughout the entire year. The leaves will begin to decompose into natural fertilizer for other plants in your yard by springtime.

The same goes for tree or bush trimmings. Throwing them in the garbage takes up valuable landfill space. Instead, make a brush pile in your backyard and you’ll see an increase in bird species. Many small birds will hide out in wood piles from hawks and other predators. Wood may take years to break down but remember, you are sequestering carbon dioxide in your yard for longer than if you had burned it.

If possible, leave the dead plant stalks standing all winter long. The hollow stems provide valuable refuge for insects. They can also provide life-saving wind protection for wildlife during winter storms. Many of our native birds continue to eat off the seed heads long into the winter. The plant stalks left standing during the harsh winter environment may be cut down in spring and placed in your brush pile.

If you recycle your plant debris every year in this manner it won’t be long before you start seeing more wildlife in your yard. Plus, it’s overall better for the Earth because it saves valuable landfill space, sequesters carbon dioxide longer and cuts down on fertilizer use. Try leaving a bit of a mess this fall and see the beautiful benefits in a short manner of time.
The Voice of the Turtle, October, 2019

Dead plants standing provide food and shelter during winter.

Our Fritillary butterfly caterpillars live in leaf piles.

Our Wooly Bear caterpillars hibernate in leaf piles.

The Howl

Do you and your pup love Halloween? Come and celebrate this spooky holiday with us at ‘The Howl’! This fun event is being held on Saturday, October 19 from 12:00 p.m. - 3:00 p.m. at Voice of America MetroPark, 7850 VOA Park Dr. West Chester, OH.

There will be plenty of activities to keep both the two and four-legged members of your family entertained all afternoon! There will be a Trick-or-Treat trail open for dogs and kids from 12:00 p.m. - 3:00 p.m., the Doggy Dash 2.4 mile Fun Run starts at noon and a Pupper Parade to show off those costumes will begin 1:30 p.m. Prizes will be awarded for multiple costume categories, including: cutest, scariest, best duo/group and most original. Take advantage of the many photo opportunities, vendors and the onsite obstacle course, too. If you don’t have your own dog, local rescues will be in attendance and can provide dogs for you to borrow during the celebration.

Pre-register online by going to https://www.eventbrite.com/e/the-howl-2019-tickets-66509322173 and clicking on ‘Tickets’. Day of registration for the Fun Run begins at 11:00 a.m. and all other activity registration will begin at 11:30 a.m. The price of registration goes up to $6/dog plus $6 for the Fun Run after October 12. Kids are free with a paid doggie participant. Don’t miss out on the fun!

He Who Shall Not Be Named

Thanks to Friends of Chrisholm for a $2500 contribution to the Farm Animal Fund. Soon, the two pygmy goats, Nameless 1 and Nameless 2, will be joined by several new donkeys (also nameless). I was recently approached by a gentleman, who shall remain nameless, about the donation of a large snake. This probably does not meet the requirements as defined in the livestock procurement policy of MPX, but I promised to look into the matter and get back to him.

- You can redeem volunteer hours for rewards like a shelter rental, boat rental or a sweatshirt?
- Visit [www.YourMetroParks.net](http://www.YourMetroParks.net), select “Support Us”, then “Volunteering.” Scroll down to the Volunteer Policy. On page 8 is the list of all the rewards! Don’t know how many hours you have? Just let me know!
Tell us a little about your background and what brought you to MetroParks?
I have always had a passion for nature ever since my grandparents took me camping at Cowan Lake State Park as a child. I chose a career in Landscape Architecture specifically so I could design parks that enable people to access and connect with the natural world. I joined MetroParks almost four years ago after having served as Project Manager for the Mill Creek Watershed Council and holding other private and public-sector positions in Landscape Architecture for the past 18 years.

Tell us a little about your family:
My lovely wife is a clinical research manager for Cincinnati Children’s Hospital working with a great team of researchers trying to reduce deaths from sickle cell disease in developing countries. We have two school-age boys, one of whom is very interested in aviation, and another who loves to play Pokemon cards.

Do you have any hobbies?
I am blessed to have a hobby that is also my job! In my time off, I love to visit other parks, especially to go hiking in nature. This year, my family and I visited Glacier National Park. I also teach Sunday School at my local parish and volunteer with the Scouts.

What do you like to do for fun or is there a fun fact about yourself you would like to share?
A year ago, I summited Quandary Peak at 14,255 feet above sea level while vacationing in Colorado. On that same vacation, our family had to leave our cabin on the east side of Rocky Mountain National Park early due to a wildfire.

What do you love most about working for MetroParks?
I love providing additional ways for residents of Butler County and beyond to access and enjoy the great outdoors!
