Letter from the President

Just back from a family vacation to the Outer Banks of North Carolina. Sunday was a beautiful, sunny day with pleasant temperatures and gentle breezes—a perfect day for a wild horse safari. Bouncing along the sand dunes in the back of a Hummer beyond the end of paved roads is a good way to look for wild horses (or to send one off seeking a chiropractor).

As usual, we managed to schedule a visit at the same time that hurricane Maria was passing by offshore in a huff (and puff). Luckily, no significant storm damage or rains, just gusty winds. Trips to the beach were limited by high surf, rip tides, blowing seafoam, and risk of being sandblasted. (Good thing that the sun wasn't out or our shadows would have blown loose!) A few showers fell on Tuesday and Wednesday, but not enough to drown you if you looked up.
Letter from the President

There is no longer any doubt that summer is behind us and winter well on the way. After the wet spring and dry summer many of us didn’t expect to see good color in autumn foliage. Turns out that colors were better than usual this year. The windy cold rain on Halloween did its best to strip the trees but many leaves remained attached. Perhaps their poor little fingers were too cold to let go of their branches.

There are lots of fun activities going on in the parks this month. Don’t let a little chilly weather keep you indoors. Dress in layers and brave the elements! Do as I say, not as I do. I’m heading off in a few weeks for a Caribbean cruise.

See you in the parks!

Bill Walker, President FOMPBC

**Kroger Community Rewards Update**

FOMPBC organization # TM866

Kroger is committed to helping our communities grow and prosper. Year after year, local schools, churches and other nonprofit organizations earn $4 million in Greater Cincinnati, Dayton and Northern Kentucky through their Community Rewards program. FOMPBC is one of the Many wonderful organizations that benefit from this program.

**How Can YOU Help Us?**

In April 2017 Kroger’s updated their Community Rewards process and software. As of April, supporters will no longer have to re-enroll their Kroger Plus Card to earn dollars for your organization. This will make it easier for you to support us! Please take a moment and make sure you are enrolled and supporting FOMPBC. [https://www.kroger.com/account/enrollCommunity RewardsNow](https://www.kroger.com/account/enrollCommunity RewardsNow)

Once you’re enrolled you will earn rewards for FOMPBC every time you shop and use your Plus Card.

**Amazon Smile**

**What is Amazon Smile?**

Amazon Smile is a simple and automatic way for you and your family to support FOMPBC every time you shop from Amazon, at no cost to you. Instead of shopping at Amazon.com you go to [https://smile.amazon.com](https://smile.amazon.com). You will find the exact same low prices, vast selection and convenient shopping experience as Amazon.com, with the bonus that Amazon will donate a portion of the purchase price to FOMPBC.

To make a reservation please see the annual meeting invitation in the April issue of the Voice. Or, call 513.593.2735, or email kochtrees@gmail.com.

**Farm Animal Fund**

Chrisholm Farmstead MetroPark is almost ready to begin adding livestock to the new pens. Because
MPX can only make purchases from pre-approved vendors, this red tape makes it difficult to buy animals from individual farmers. Our status as a 501C3 tax-exempt non-profit group makes it possible to streamline livestock purchases for Chrisholm. We have set aside a special account for such purchases. Please send your tax-free donation to: Friends of MetroParks of Butler County PO Box 691, Hamilton, OH 45012

Please make sure to make a note on the memo line of your check “Chrisholm Animal Fund” to make sure your donation helps populate the new FarmScape.

The first item purchased to help with the care and feeding of farm animals at Chrisholm is shown below. This hay bale feeder will place round bales where the animals can easily access them while keeping the hay off the wet ground.

**Ready…Set…Recycle!**

By Shawnee Banks

Celebrate America Recycles Day with the MetroParks of Butler County at the Bicentennial Commons on November 9th from 1:00 – 2:00 p.m (registration is required). America Recycles Day is organized by Keep America Beautiful. It is a day to celebrate, motivate and educate about recycling worldwide.

Our national recycling rate has been continually increasing little by little. Currently, our nation’s recycling rate is 25.8% percent annually as of 2015 (EPA, 2018). A recycling rate of 30% is almost equivalent to removing 30 million cars off the road (CEF, 2019). Imagine the difference we could make by increasing our recycling rate.

Critter Corner
Sexual Dimorphism

Looking at the previous two pictures one would be forgiven for thinking them to show two different species of bird. The first is large, loud, and black with iridescent highlights and a v-shaped tail. The second is smaller, quieter, and yellowish-brown. Turns out that both are boat-tailed grackles (*Quiscalus major*), but of different genders. Common along coastal areas of the Atlantic and the Gulf of Mexico, the black males (16 – 17”) are frequently heard loudly arguing with other males as to who is most attractive to the ladies (13 – 14”). In between vocalizations, they are frequently seen chasing, or otherwise bullying, smaller beach birds. The females tend to band together and avoid “the boys”. Guess that we’re not that different from our feathered friends, after all.

Travelers to Mexico have seen similar birds, the great-tailed grackle. This variety tends to be slightly larger, with a longer tail on males. Their calls are more musical than those of the boat-tailed grackle. The two species ranges overlap in Texas and Louisiana, but are not thought to interbreed. If you get close enough, eyes of the great-tailed grackle (photo below) are usually yellow, while those of the boat-tailed are black.

David VanArsdale – Chief Ranger

Tell us a little about your background and what brought you to MetroParks?
My career in Law Enforcement started at age 18 as a cadet for the Middletown Division of Police. (so now I have 20 years in Law Enforcement 😊 ) I retired from the Division in 2015 as Chief of Police. I then served two years with Middletown as Director of Public Safety, overseeing both the Police and Fire Divisions. While with Middletown, I worked with MetroParks on the River Center project. In April of 2015 I started working for MPX as a part-time Ranger. I left my position as Director of Public Safety in 2017 and started a full-time position with MPX as the Division of Public Safety department head.

Tell us a little about your family:
I have a great family that I love deeply!

Do you have any hobbies?
I usually change hobbies every few years. I enjoy boating, water skiing, riding dirt bikes and ATVs, kayaking, cycling, and stand up paddle boarding.

What do you like to do for fun or is there a fun fact about yourself you would like to share?
I get bored easily and I am a little C.D.O. (that’s O.C.D. in alphabetical order)

What do you love most about working for MetroParks?
From the top down, we have a tremendously talented staff and I enjoy working with most of them (Rusty makes me say “Gee Whiz” a lot). I most enjoy being out in the parks either patrolling in a truck, on a bike, on an ATV, or on foot and interacting with the public.
