## October Board Meeting Friends of MetroParks of Butler County

Wednesday, November 14, 2018

Butler County Historical Society

327 N 2<sup>nd</sup> Street, Hamilton, OH 45011

7:00-9:00 PM

## Letter from the President

Spring has sprung, fall has fell, winter's near and it's cold as . . . the dickens. Seems like only yesterday that we were complaining about unseasonably warm weather. Today the weatherman even used the dreaded 4-letter word, s\*\*w, for the first time this season. Prepare for a run on milk, bread, and rock salt, it's that time of year.

The autumn leaves were a mixed bag this year. Although some trees turned bright oranges, reds, and yellows, the wind and rain conspired to strip the leaves before full color was reached. It seemed that the bad weather worked weekends to cause maximum disruption of MPX events. Still crowds braved the rain for Arts in MetroParks and the Howl. Fret not, friends, there are lots of fun events scheduled for November.

See you in the parks,  
Bill Walker, President FOMPBC

### MetroParks of Butler County Leonid Meteor Shower

By Shawnee Banks

Looking for something extraordinary? Come to Governor Bebb MetroParks Howe Shelter on Saturday, November 17<sup>th</sup> from 9:00 p.m. to 12:00 a.m. for the Leonid Meteor Shower (Bryd, 2018).

Figure 1. Picture of the Leonid Meteor Shower by James Younger (Bryd, 2018)

The Leonid Meteor shower originates from the Comet Tempel-Tuttle (Bryd, 2018). As we pass the comet, the debris enters our atmosphere and vaporizes creating the mystical meteor shower we all love so much. The meteor shower radiates from the constellation Leo (Bryd, 2018). Be on the lookout for the constellation to get the best view of the Leonid Meteors.

Figure 2. Illustrates where the meteors will be radiating from (the green circle) near the constellation Leo (The Interactive Meteor Shower Sky Map; TAD, 2018)

Not sure where to find Leo? Not to worry. The MetroParks of Butler County will have volunteers from the Cincinnati Astronomical Society there to help. Worried you won't see anything? This year, expect to see between 10 – 15 meteors per hour at peak (Bryd, 2018). Also, don't miss the chance to

look at one of our telescopes and get some magnified views of our magnificent stars.

Bring a blanket or chair, bundle up, and enjoy a late night at Governor Bebb MetroPark!

# Volunteer Spotlight

## **Judy Shillinglaw-Master Gardener & Friends of Chrisholm Board Member**

**How long have you lived or worked in Butler County?** 55 years.  
Originally from Eastern Kansas

**Tell me a little about your family:** My husband Jim and I live in Monroe, My daughter Suzanne Byrd and husband Dan Byrd of Middletown, Grandson Sam Byrd, New Haven, Ct.  
Dogs and Cats

**Do you have any hobbies?** Gardening, creating garden club programs, researching horticulture for specific plants and trees, sharing information with other gardeners.  
Reading and Travel

**What do you like to do for fun or Is there a fun fact about yourself you would like to share?** Travel to European Countries, especially France, to explore gardens, horticulture, vineyards, history, culture and foodie adventures. So different than USA. I am retired from the Travel Industry. What a great job.

**What do you love most about volunteering for MetroParks?** There is something special about those I volunteer with at Chrisholm MetroPark and Friends of Chrisholm. This is where I learned to appreciate the Augspurger immigrants' stories, burdens, and absolute determination to bring their families and other Amish Mennonite families to Ohio to farm, to own land and to find religious freedom. I grew up in an Agricultural Community and my Mother had a huge vegetable garden and flower gardens. She was in the Lenexa Garden Club and was a talented flower arranger. My Mom would be so proud of me.
