

# WANTED: Drone Cadet Recruits for *Drone Flight School*

Drone Cadets is Bringing Drone Education to the [Hudson Valley](#), the [Greater New York Area](#), and [Beyond](#).

Classes are Forming now and Training this Fall. We are looking for instructors, schools and organizations who want to participate.

Interested Students should  
Speak to Your School or  
Organization's Administrators.

## Drone Cadets Mission:

To help break the chains that bind so many, by offering an incentive and an **alternative to the high cost of college** through drone training. We're dedicated to helping build the ethics and character of our youth while feeding the fertile young minds of our world's future leaders. We do this by bringing Drone Technology to underserved communities throughout the US, and beyond. For more info visit [DroneCadets.com](http://DroneCadets.com)

## Drone Flight School Helps Develop:

- Discipline
- Flight Skills
- Team Building Skills
- STEM Technology Training
