

No Drones? No Problem.

TURN-KEY EQUIPMENT RENTAL

- Are you ready to start a drone program but lack the funds to build a classroom set of drones, iPads and all the related materials?
- Are you planning a Pilot Program before you set up a full drone program?
- Let us help you by bringing all the right equipment to get you started.

COMPLETE CLASSROOM PACKAGE

Drone Cadets will bring everything you need to run the class including, 10 Tello drones, 10 iPads, batteries, chargers, cables, propellers, propeller guards, powerstrips, helipads, and all obstacles to fly missions.

\$695
per class

10-TELLO PACKAGE

You have iPads but you need drones, batteries, propellers, chargers, helipads and classroom accessories.

\$295
per class

10-iPADS PACKAGE

You have Tello Drones but you need iPads to control them and to teach coding.

\$495
per class
