## Postal History – More Than Just A Stamp

Postal history is about how the mail is processed and moves, the innovations introduced over the years to speed up its journey, and the people who made it all happen. People literally risked their lives working as rail postal clerks or airmail pilots to speed the mail along. If you are looking for drama - and even comedy in philately, postal history is where it's at.

## Show Your Postal History Enthusiasm!

Postal history enthusiasts are invited to:

- ✓ Submit up to six one-page digital non-competitive exhibits
- ✓ View the Postal History PowerPoint program on the website
- ✓ Attend monthly Zoom presentations by renowned postal history collectors

Find out more at [www.Milcopen.org](http://www.Milcopen.org)
