This new exhibiting category is specifically set up to encourage Wisconsin collectors to share their philatelic material and to promote the hobby to the public by making them aware of the wide range of collecting interests that can be depicted and used to tell a story. Specifically, exhibit titles and subjects must relate to the alphabet letter "P". Examples: countries such as Panama, Papua New Guinea, or Poland. Philatelic terms like parcel post, penalty envelopes, or Penny Black. Collecting topics might include presidents, plants, or penguins. Anyway that you can work the letter "P" into your exhibit title will fulfill the requirements.

Each four or eight-page exhibit must be on 8-1/2" x 11" vertical paper and in sheet protectors. The name and mailing address of the exhibitor must be included on the back, inside the page protector. The exhibit should have a title, some text on each page to help tell the story or explain the philatelic material being shown. Depth of research and quality/selection of material is important. Creativity is encouraged - a unique idea, first vs. third person, humor, presentation (mounting layout, paper, fonts), etc. Have fun with your stamps!

There are NO FRAME FEES. Limit two exhibits per person.
