Announced Audit

AUDIT SCOPE:

Moultrie Melon Company is a packer and shipper of fresh market vegetables located in South GA. This operation consists of a 32,500 sq.ft. metal building with temperature controlled storage and open air packing area. All product received is grown by Moultrie Melon Company on the surrounding land. This operation was observed to be maintained in a clean and tidy manner. There is a total of three packing lines within the facility. At time of audit only the Squash line was in use. The other two lines in the facility consist of a pepper line that is still in the process of being installed and a cabbage line which is dry with the only activity to occur is that of placing cabbage heads into corrugated boxes, followed by palletization and then placing the pallet in cold storage.
