

Kathy Rodriguez, Vice President

kathy@yabafoundation.com

I am Kathy Rodriguez, co-founder to YABA and proud wife and mother to 4 very active children. I have been an educator to elementary age students and have proudly taught for the past twenty years at the same school in San Bernardino City Unified School District.

I have been guiding children to be the best individuals and products of society that they can be. I collaborate with fellow moms to help enhance their children and everyone around them with extracurriculars of their choice.

YABA is very proud to help serve the youth and make sports, educational trips, scouting troops and much more affordable through fundraising. Personally, I helped recharter the American Heritage Troop on the brink of extinction by going to YABA and finding a way to charter these courageous young girls. Moving mountains one pebble at a time is how we can enhance all children to be the best.

YABA Foundation is the next chapter in guiding children to be their very best selves and utilizing every avenue to reach their highest potential with roadblocks diminishing one step at a time.
