That's a Wrap 2022-2023

A Season Recap

We had a pretty incredible 2022-2023 Season!

We saw growth in our Membership and our Partner Organizations, which means more families positively impacted, through a variety of avenues!

YABA Foundation's official 501(c)(3) nonprofit designation was confirmed mid-season, which means more opportunities to see our Mission through!

Additionally, YABA Foundation chartered an American Heritage Girls troop, which helps to build women of integrity through a Christ-centered character development ministry for girls ages 5-18 – promoting service to God, family, community and country.

We cannot wait for all that 2023-2024 has in store! We hope you will join us.

Young Achievers

We Are So Proud Of You!

Thank you for your photo submissions! This coming Season, we will look to highlight Members by sharing more photos and Stories, and selecting a **Member of the Month** to promote in email, social media and Newsletter.

This Season, we were so honored to share in experiences such as dance competitions, gymnastic meets, football games, soccer tournaments, graduations and promotions, Boy Scout camp, American Heritage Girls charter, and more. All things that promote positive activity, overcoming insecurities, enhanced skills and good character development.

Below are just some of the photos received from Members, exhibiting a passion for the activities we support.

Also new this Season – **Partner of the Quarter**

We want to highlight organizations which are in line with our mission to help develop young leaders through activities that promote teamwork, sportsmanship, character development and community fellowship.

If you are involved with a business that would like to be considered a Partner Organization, or if you know of a business that promotes positive youth development – we'd love to hear from you.

Please send all nominations for Member of the Month and Partner of the Quarter, along with any photos and stories, to
