NON-PROFIT / CHARITY SUPPORT - PHILANTRHOPIST

YABA Foundation Membership gives you access to fundraising through our tax ID, as well as gives you discounts at Participating Organizations and first access to any YABA Foundation events, news and other resources. A staple fundraiser, which is ongoing, easy and gives you a return on money you are already spending – is RaiseRight (formerly Scrip). Once you are a member, you will receive an enrollment code to join YABA Foundation's RaiseRight account – members may share the enrollment code with anyone who may want to help raise funds to your family's account or common interest cause. See Example RaiseRight Earnings for an idea of how this works.

Funds can be requested to be paid out of your account up to once per month, with at least 10 days' notice. Ruby accounts with YABA Foundation must be current and in good standing in order for funds to be released to activity accounts.

You can change/add organizations to your account at any time by contacting GoYABAFoundation@gmail.com
