

YABA COMMUNITY

Sapphire Membership / YABA Foundation Partners

A YABA Partner is an organization that is in line with our Mission to help develop leaders through activities that promote teamwork, sportsmanship, character development and community fellowship. There are many ways an organization can be recognized and promoted as a YABA Partner:

- Signing up as a Team Alliance for Booster support, powered by YABA - We help support team functions, making for an enhanced team experience
- Through sponsorship of a youth individual or team
- Through discount made available to YABA members
- By sharing, or allowing Members to share, YABA information and services with their organization staff and/or participants
- Through donation of time, services or money

If you are part of an organization that would like to be acknowledged and promoted as a YABA Partner, please send your logo and a blurb about your organization, including any discounts or benefits offered to members, to goyabafoundation@gmail.com. This information will be shared on the TeamApp platform for all Members, as well as our social media, and website. A Partner of the Quarter is also highlighted in the YABA Foundation Newsletter. YABA Partners may also share events to be added to the TeamApp calendar for Members to see (special promotion; organization recital, tournament, or competition; etc.)

Ruby Membership

Ruby Membership is a paid membership, which allows Members to raise funds to their family's account for distribution to activities specifically for their activity accounts. For example, you may raise funds and request distribution to any tuition account (dance, school field trip, martial arts, music, soccer, etc.) for members of your family. Ruby Membership is \$45/year - but an Early Registration discount is available until October 1. The Early Registration Fee is \$25. Registration fees may be paid via Venmo @YABAFdn, or can be paid through fees raised throughout the year. **Registration fees do not need to be paid in order to fundraise or receive YABA Member discounts.** However, Registration does need to be paid in full before funds can be distributed to family activity accounts. **Sapphire Members qualify for a discounted Ruby Member rate - contact us if you have questions about the terms for your Team Alliance organization.**

Gold Membership

Gold Membership is a FREE membership, which allows Members to raise funds to be donated to an approved nonprofit/charity of their choice (i.e., school sports team, club sports team, church/youth group, nonprofits which benefit Veterans, women, foster kids, homeless, etc.). A Registration form is necessary for account set up. A Member may upgrade to Ruby Membership at anytime by paying the Registration fee.

Members will be invited to a YABA Foundation TeamApp, where digital Member cards may be downloaded for access to YABA discounts; fundraisers, news, forms, newsletters and other resources are posted. All Members may share events to be included in the calendar (recital, competition, tournament, graduation, etc.), so that others in the community may show support.
