

Famous Wanstead Veterans

No. 2 Bob Perkins

or Pretty Polly.....!

Our 2012/13 captain, unconfirmed Capo di Cosa Nostra de Romford, is truly an inspiration to us all. Likened to the Great White Shark (not so much Greg Norman - more because they both eat their bodyweight whilst on the move), Bob can be found most

Monday, Wednesdays and Fridays either playing, as a member of the legendary working party or practicing his chips and wedges, sometimes with salt and vinegar, often with ketchup.

Holding the WGC record for the longest ever post game shower (4 weeks 3 days 4 $\frac{3}{4}$ hours) whilst singing the entire Doris Day songbook. Bob prides himself in his appearance as anyone who has waited behind him for the mirror will vouch.

Regular visitor to Wentworth, the hotel just along the seafront from the Aldeburgh Chip Shop, not the golf course. From personal experience, Bob is a delightful travel companion, as long as he remains a crib opponent not partner.

Following a distinguished career in plumbing he can often be found radiating good humour, getting himself into hot water but more often talking ballcocks to all comers in the bar.

A delightful man to play golf with or against either at WGC or other courses around England and a hugely popular member of the Vets.

Bob's interests include cinema, theatre, meteorology and more recently ballroom dancing.
