## No. 17 Peter Hamilton

**Or - 16 across.... Cack handed disciple of the Tax payers stadium. (5, 8)**

One of only two lefties in the vets section, Pete is a stalwart of both Vets matches and competitions and can be counted upon to help you out when in a tight corner.

As deputy treasurer of the Vets he holds the WGC record for fastest match fee subs collected (2m 17 secs v Ilford home 2016) where he managed to collect all the subs prior to team members having sat down.

Rarely seen without a Sudoku, Crossword or Where's Wally puzzle Pete has recently been seen wandering the fairways of WGC, not in search of a mis-hit 5 iron but looking for Charmander to complete his Pokemon-Go collection.

When not playing golf Pete can often be found at ~~Upton Park~~ the London Stadium supporting his beloved West Ham. Not satisfied with just 19 home games every year his team are doing their best to ensure that he has 23 to savour in 2017/18.

Winter is always a much anticipated time in the Hamilton household as Pete decides which pair of plus-fours he will be donning for the weekly perch competition.

Pete has always preferred Tetley's over Tetley's and also likes, along with Gareth, to give Birdie Catering and extra challenge for post match catering.

A great companion on and off of the course, Pete will ensure that silences on course are few are far between!
