

Weiser River Trail Halloween Endurance Ride I and II

October 28-29, 2023

Join us for the resurrection of the Weiser River Trail Endurance ride! This year we will have a two day ride (we are working on figuring out trails for a third day but at this time that is very

preliminary and we are only sanctioned for two days). We will stage in or near Council, Idaho, and run south one day, north the other, with a 25 mile out and back (shortened appropriately for LD), so one out of camp vet check for both distances. We are still looking at two potential locations for ride camp.

🎃 Trail is an old rail bed with a 2% south to north grade. There **WILL BE ROCKS** and hoof protection/pads are **STRONGLY** recommended.

🎃 Day two will include a Halloween costume contest.

🎃 If we have enough interest, we may be able to provide a catered dinner on Saturday night.

🎃 \$125 for LD/50
\$35 for trail ride
