

Plant Pre-Sale FAQ's:

How do I order plant starts?

Go to the Store tab, add plants to your cart, and click the checkout button. Once your order is complete, I will email you to select your pick-up location, date & time.

Where is the farm located for pick-up?

5905 N Garfield Rd Spokane WA 99224

Is it all paved roads?

No. If you are coming from 7 Mile Road/North Spokane it is about one mile of dirt road. If you are coming from Rambo Road/Airway Heights, it is about three miles of dirt road.

What type of potting soil do you use?

I use Professional's Choice Organic Potting Soil.

What type of seeds do you use?

I use all organic seeds when possible, primarily from: Burpee, Park, Johnnys and Harris seed companies. Baker Creek is non-GMO and untreated.

What size pots will my starts come in?

Herbs are in 3 inch. Tomatoes, Peppers, Cucumbers, Eggplants, Squash, and Pumpkins are in 6 inch. Giant Pumpkins are in 3 gallon. Petunia Hanging Baskets, Herb Bowls and Lettuce Bowls are in 10 inch.
