SPECIALTY - PRE-SALE

Note: Currently, no organizations are in the pre-sale process.

When a specialty license plate is authorized by Florida Statutes, the requesting organization must sell 1,000 vouchers within 24 months before the plate is manufactured.

Pre-sale vouchers may be purchased at local county tax collector offices or license plate agencies. The clerk will process the transaction and provide the customer with a Pre-Sale Specialty License Plate Voucher receipt.

If the organization meets the 1,000 pre-sale requirement at the end of the 24-month period or any time before this date, the specialty license plate will be made and distributed to the tax collector offices and license plate agencies.

If the organization does not meet the pre-sale requirement of 1,000 at the end of the 24-month period, the specialty plate will be deauthorized, and the department will discontinue development and issuance of the pre-sale voucher.

Upon de-authorization, the purchaser of a pre-sale voucher may use the annual use fee he/she paid as credit towards any other specialty license plate or apply for a refund.

IMPORTANT INFORMATION

Section 316.613, Florida Statutes, requires every operator of a motor vehicle transporting a child in a passenger car, van, autocycle or pickup truck registered in this state and operated on the highways of this state, shall, if the child is 5 years of age or younger, provide the protection of the child by properly using a crash-tested, federally approved child restraint device. For children aged through 3 years, such restraint device must be a separate carrier or a vehicle manufacturer's integrated child seat. For children aged 4 through 5 years, a separate carrier, an integrated child seat, or a child booster seat may be used. For limited exceptions, see s. 316.613, F.S.

S. 320.0605, F.S., requires the registration certificate, or true copy of a rental or lease agreement, issued for any motor vehicle to be in the possession of the operator or carried in the vehicle while the vehicle is being used or operated on roads of this state.

S. 320.02 and 627.733, F.S., requires personal injury protection and property damage liability to be continuously maintained throughout the registration period. Failure to maintain the mandatory coverage may result in the suspension of your driver license and registration.

Important note: If you cancel the insurance for this vehicle, immediately return the license plate from this registration to a Florida driver license or tax collector office or mail it to: DHSMV, Return Tags, 2900 Apalachee Parkway, Tallahassee, FL 32399. Surrendering the plate will prevent your driving privilege from being suspended.
