Dear Name

Thank you for your correspondence dated [Insert Date] in regards to the insurance for [Insert name of club].

Equestrian Australia can confirm that the EA Insurance program will extend the coverage to allow you to use cattle in the team penning competition & training conducted in accordance with the Working Equitation Rule Books. This addition will not require an additional premium to be paid. Please note that the coverage will only extend to the "Team Penning" as part of the Working Equitation competition & training and will not cover any other activities using cattle. We will advise our insurance broker of this for insurance purposes.

For safety reasons EA's General Regulations and Sporting Rules make it mandatory for all participants to wear an approved safety helmet whilst participating at an event involving EA's regulated equestrian disciplines. Whilst EA cannot control the rules applying to the sport of Working Equitation, for safety reasons, EA strongly recommends that your Club encourages the wearing of approved safety helmets at all of its events, competitions and training days.

If you require any further information please do not hesitate to contact the EA Office.

Yours sincerely

Andrew Hamilton
Acting Chief Executive Officer
EQUESTRIAN AUSTRALIA
