

The **Companion Animal Cancer and Referral Center of Toronto (“CACRC”)** is seeking applications for registered veterinary technician to support our speciality practice. The successful applicants will join our team of highly skilled specialists and technicians.

The CACRC is currently under construction with a goal to open in the fall of 2018. When fully complete, the CACRC will be a state to of the art facility with advanced imaging including CT, 3Tesla MRI and PET Imaging.

The CACRC mandate is to increase the quality of care for companion animals through knowledge transfer among and between human and veterinary clinicians, together creating leading patient care outcomes. We will adopt a team-based approach to offer compassionate treatment, offering novel protocols and therapeutics.

CACRC is centrally located adjacent to one of the City’s most beautiful and prestigious neighbourhood’s – the Bridle Path. CACRC is located just South-East of the junction of the 401/404/DVP, all areas of the City are within quick access.

We are offering competitive salaries and full benefits. If you are interested in this opportunity, please contact:

**Alan Norris, DVM, Diplomate ACVIM**
