

Toronto Animal Health Partners Emergency and Specialty Hospital (AHP) is seeking applications for a Veterinary Technician Floor Manager. This managerial position will involve:

- Overseeing the work flow of the RVTs and the animal care attendants
- Scheduling of all support staff
- Addressing staff concerns
- Assisting in recruiting and mentoring staff
- Overseeing equipment maintenance
- Some patient care duties will be required

We are looking for someone with experience in patient care as well as workforce management. The ideal candidate should bring enthusiasm, alacrity, excellent interpersonal skills and a drive to promote our core values in all that they do. Expected hours/shifts?

The Successful applicants will join an exceptional team of veterinary specialists and support staff offering services in critical care, oncology, neurology, cardiology, internal medicine, surgery and 24/7 emergency medicine. The AHP is currently under construction with anticipated opening February 2019. AHP is centrally located just southwest of the intersection of the 401/404/DVP.

If you are interested in joining our team and providing the highest quality of innovative, evidence-based, patient-centred care to companion animals please contact: Dr. Barb Bryer at barb@animalhealthpartners.com
