kitchens

Beginning as a humble family business in 2011, Sinc Kitchens is now recognised as one of the UK & Ireland's premier kitchen brands, with approximately 150 trade customers. We pride ourselves on our world-class partner support & the unrivalled quality of our products. We manufacture and supply complete kitchens to retailers throughout the UK & Ireland. We're seasoned KBB professionals and we know what our customers need, expect and deserve from your manufacturer.

EXPERT TECHNICAL SUPPORT

Understanding the complexities of Kitchen design, we place a huge importance on technical understanding. Our aim is to provide our Trade Partners with up to date technical guidance in order for you to take full advantage of the products on offer.

FLEXIBILITY

From time to time, everyone gets pushed on price, we understand this - so when our Trade Partners are in danger of losing an order due to price, we are always open to take another look at price - this flexibility is a reflection of our open and honest approach.

DIRECT SUPPLY

As a direct supplier, we don't use distributors to resell our products. We manufacture for you, our Trade Partners. We are **YOUR** Manufacturer.

IN-HOUSE QUOTATIONS

Some designs and ranges can be complicated, but with your dedicated technical advisor ready to talk through any queries or alterations required, we can provide a simple and detailed quotation that gives you the best options to put forward to your customer within a few hours.

MANUFACTURING

Manufacturing a range of carcasses designed by you. Through years of customer partnership and feedback we have arrived at a specification that not only meets demand, but is recognised as one of the best products within in the Industry.

ALERTS & ANALYTICS

Text and Email alerts for all orders, combined with a Customer Dashboard showing orders due in coming days - means you don't have to worry about missing a delivery. Our Customer Area also includes live quotes, live orders and your order analytics.
