Doug Lamm, Convention Chairman

Governor Yancy has selected the sight for the District Convention this year and it will be at Wrightsville Beach on August 18 through 20 at the Holiday Inn Sunspree. This is the same location as 2003. It will be a good time to start planning a mini vacation with your kids and grandkids. With the new law

in effect, schools will still be out for the summer and there will be a lot of activities scheduled for the youth.

Please mark your calendar for August 18-20, 2005 and let's have a great convention. Governor Elect Ray Potter is already working on training for this convention.

Please get in touch with Doug Lamm if you have any suggestions for ways to improve this year's convention.

Greetings, Club Essay Chairs and Committee Members!

Hopefully, you have already begun planning for this year's essay contest. In talking with Optimists at the District Convention at Atlantic Beach in

August, some clubs have wonderful plans for publicizing and promoting the essay topic to both teachers and students. This year's topic promises

to be a powerful and stimulating one—**"The Power of One."** You can download the seventeen pages of "general information" in PDF format from the Optimist web site (www.optimist.org). When you get to the homepage, go to **"Members;"** then, **"Clubs & Districts;"** then, **"Programs/Activities;"** then, **"Essay Contest,"** and finally **"Complete Contest Rules—click here."** This page contains lots of valuable information in addition to the link to the downloadable "general information."

At the October meeting in Laurinburg, I will have a brief presentation on specifics for conducting the essay contest. The date to remember: **Monday, February 28, 2005—all essays are due to me. My home address: 4755 Old Watkins Road, Oxford, North Carolina 27565. My phone number: (252) 492-9745. My email address: sadlerjw@gloryroad.net.** Please email me or phone me if you have any questions. The essay winner will be announced in March, 2005. **Please pay special attention to page 14 in the general informa-**

tion. This page must be filled out and sent to me with your first place essay entry.

I look forward to seeing you in Laurinburg later this month.

The Third Quarter Financial Report was presented by Yancey Hines, and they were accepted as presented pending final annual audit.

Carey Foster, OI Foundation Chairman, reported on the Optimist Foundation and gave out awards to clubs for outstanding contributions to the Foundation. He reported on the progress of the NC East Cookbooks. Several clubs tendered donations at this time. Finally he reported that the preceding night's Scavenger Hunt had earned \$150.00 for the cause.

Nancy Phillips and Tom Lamont spoke for the Boys and Girls Homes. Tom reported that recent cuts in support for the home have made it necessary for the organization to redouble its efforts in fund raising. He requested financial support for the Home's "operations," not just its endowment. He characterized the situation as a crisis. Max Stephenson reported that the Golf Tournament on Thursday had raised \$610.00 for the Homes. Mention was made of the 5x12 program that also supported the facility. Several clubs offered donations at this time and individuals tendered their 5x12 pledges.

Carlton Baird, OJGIC Chair, reported on the success of this year’s program and tournament. Sixty-seven golfers competed in two age brackets for both boys and girls. Twelve of the 18 who qualified participated in the international tournament in Florida. In all, 797 young golfers competed in the event. He requested that more NC East Optimists volunteer to work with the actual tournament next year.

Don Harritan, District Achievements and Awards Chairman, submitted his report.

Darrell Fulcher, Leadership Development Chairman, reviewed the various activities provided NC East Optimists this year.

Sandy Cyphers, Chair of the Candidate Qualification committee, reported that the district was still without a candidate for Governor-Elect for 2005-2006. She requested strong support to solve this problem quickly.

Yancey Hines, Governor-Elect for 2004-2005, spoke briefly.

Governor Bob offered comments on his year. He thanked everyone for their support. He reminded the assembly that Optimists are in the business of helping kids. He borrowed a thought from the Walt Disney Corporation that maintains they are in the “happiness” business. He concluded that we too as Optimists are in the “happiness business” for the sake of the youth of our communities. Next Governor Bob introduced Michael Angelo Caruso who would provide some of the training later in the day.

The meeting was adjourned at 11:15

At 11:31 the meeting was reopened for special circumstances. At this time Lt. Governor Harry Hale nominated Ray Potter as Governor-Elect of the NC East District. The nomination was seconded by Jackie Young. The selection was approved unanimously.

THE OPTIMIST CREED

Promise Yourself

To be so strong that nothing can disturb your peace of mind.

To talk health, happiness and prosperity to every person you meet.

To make all your friends feel that there is something in them.

To look at the sunny side of everything and make your optimism come true.

To think only of the best, to work only for the best and to expect only the best.

To be just as enthusiastic about the success of others as you are about your own.

To forget the mistakes of the past and press on to the greater achievements of the future.

To wear a cheerful countenance at all times and give every living creature you meet a smile.

To give so much time to the improvement of yourself that you have no time to criticize others.

To be too large for worry, too noble for anger, too strong for fear
and too happy to permit the presence of trouble.
