

SPONSORSHIP LETTER

Dear Sponsor,

The Wildcat Shooting Club is ready to continue growing our club into a prominent presence within the Louisburg community. We hope that you will provide us with your support and join us in promoting the benefits of shooting sports and the values of safety, teamwork, and sportsmanship to our students. Our club provides a safe and inclusive environment for students in grades 6 – 12, who share an interest in shooting sports to come together and improve their skills. We strive to represent the community of Louisburg with pride and respect at every competition we participate in. We will be competing against other clubs across the state of Kansas.

As a sponsor, your generous support will have a significant impact on our club's ability to grow and thrive in the years to come. Sponsorships will be on an annual basis and will be recognized as listed below:

Bronze - \$100-\$249

Bronze sponsorship contributions help ensure that every student athlete has the chance to participate, regardless of financial circumstances. This support goes directly toward covering fees and equipment costs for those in need, making sure no athlete is left behind due to financial barriers. Your company logo will be listed on our website as well as on student athlete apparel.

Silver - \$250-\$499

Your business will be featured on a shared sponsor banner displayed at every competition. These banners are prominently placed at the range, providing valuable exposure to spectators, athletes, families, and visitors throughout the seasons. Your company will be included in group appreciation social media posts, and your company logo (with link) will be listed on our website as well as on student athlete apparel.

Gold - \$500 and up

Your company will receive high-visibility recognition through social media platforms. Your business will be featured in paid partnership posts throughout the seasons, helping boost your brand's presence both on the range and online. You will be highlighted with dedicated posts across social channels, including photos, and business profiles. Your business will also receive a dedicated promotional section on our website – more than just a logo and a link. This space will feature your business name, logo, description, and a direct link to your website in a flyer style layout, helping showcase your services to our community like a mini digital ad. Your company logo will also be on student athlete apparel.

The Wildcat Shooting Club is a 501(c)(3) public charity non-profit organization. Every donation made is tax-deductible and a receipt can be provided if requested.
