

Dear MVES Families and Friends,

Welcome back to the 2021-22 school year!

The annual Wildcats Wellness Walk for Education is Mountain View's biggest fundraiser, and the most FUN! On the day of the walk, students will walk approximately one mile around the East High Acres neighborhood, do karate, run obstacle courses and learn about healthy eating. Parents and guardians are welcome to join their child for the walk!

Students will be asking family and friends to sponsor the student's walk, and when you ask our local businesses for their support, our combined efforts are even more successful. You will find as in years past, many are happy to help. We were unable to have the Wellness Walk last year due to Covid--and we have a goal of raising \$20,000 this year to make up for what we couldn't do last year. Please help us reach our goal!

We hope that you will help to support our efforts in enhancing our children's experience at Mountain View Elementary School. We look forward to walking with you and your children, and raising money for Mountain View Elementary School!

Sincerely,
Emily Hayburn & Alicia Laskey
