- August PTO Committee met with Mrs. Pellis to discuss PTO. Update on events that were to happen last year.
- Playground Update--Rachel Moreland--Waiting to see if the grant was accepted. The application process was pushed back. IN November we will know if we have been awarded the grant. Greater Latrobe School district/Unity Township--PTO will be matching the funds that will be awarded. PTO worked hard to get the playground completed. Playground will be natural and it will include items that are all inclusive.
- LifeTouch--Class pictures will be on October 7th, we will not be doing the group pictures so they are looking that we can create another way to do a class photo. Arricka asked if there was anything that they can do to give. We will be working to find out what to they can do in place of class pictures. School district has permission to use the photographers but no outside helpers will be there to help. We will work with Becki Pellis and Lindsey Scarpo.

Treasurer: Amy Ippert
Webmaster: Nicholas Racculia
6th grade committee: Nicholas Racculia and Susan McKeever
- Lindsey Scarpo-- New Principal introduction
- Class Parties : This year parents are not permitted in the building, we are trying to navigate what to do this year. Ex: talking about a drive through party supply drop off. If anyone has ideas share them with us.
- Wellness Walk Update: We are not doing this yet. We are still looking to do something not sure if this will be possible, we are still going to do something but unsure of yet.

- Budget discussion: Rachel Moreland asked how we look with the budget. We are unsure of this yet, we have an update of financials up to August 4, 2020. A lot of this year's budget is being looked at to use for the playground. We look to still doing yearbook, t-shirts and teacher allotment.
- PTO shirts: are we going to still do this again? It costs about \$4000-5000.
- Spiritwear: Are we going to do this again? If we are able to put this online and let it up to parents if they order
- Chickfila: We are still collecting receipts, we will get a percentage back in gift cards. These will need to be sent into the school. Spirit days--October 8th --% goes to the school, can't order through the app.
- Coca-Cola Tops: Bottle caps and code in boxes. You can enter codes on coke rewards online and it can go to the school
- Dairy Queen--Terry Way DQ-- October 20th. Talking about getting teachers to give fun facts about themselves and a treat will be named after them.
- PTO Meetings--Wednesdays, 1st week of the month, evening meetings 7 p.m.
- Next meeting will be Wednesday, October 7th at 7 pm
- Bank: Double signer account, you are unable to get a debit card. Arricka spoke with the bank manager to see what to do with this. We can create a new bank account just for the debit card--under PTO-- this will need to be replenished to the account. We need 1 person to be the main person to hold the card (could change every year) Associate cards need to be in meeting minutes.
- Motion for Beth Bush to get the debit card for the PTO to help Julie Teslevich made the motion and Susan McKeever 2nd the vote.
- Remind--sign up for new messages---you only need to sign up for 1 grade level if you have more than 1 child in the school.

- Kudos: Beth Bush and Julie Teslevich for doing the 6th grade
- Kudos: Sarah thank you for taking over and helping out with the presidency
- Facebook accepting-- may take a little longer to get accepted, we are double checking that they are really MVES parents
- Red Ribbon Week: Becki ordered red ribbons, we are doing bracelets this year instead of ribbons. \$100 budget
- Thank you to EXEC Committee--thanks for keeping on going and not skipping a beat

- Questions:

If not in the classroom they are absent, but they can log onto the google meet. Attendance is about being in your classroom seat, if you are absent you can get instruction. This is being worked on right now. It is confusing right now, but the important thing is that we need to know who physically in the classroom.

Vote from board of education: all jr and sr high students will be brick and mortar starting September 28th, we will still be doing the blended model brick and mortar as well as GLSD online.
