

# Maoz Israel UK – September 2026 update

## Maoz Israel Calendars

We now have our 16 month calendar in stock (which starts in September 2026). The calendar features prayer themes for every month, and contains the Hebrew alphabet, key Hebrew words, the Shema and all of the Biblical holidays and weekly Torah readings. You can order one of for a gift of £40, or £55 for two.

# Maoz Projects

Maoz support a wide range of projects and many individuals.

Some of the projects are one off, whilst others are ongoing. Our **istandwithisrael** grant funding programme helps many believers. This is how the grant funding mechanism works. If you are a believer living in Israel and have a need, you can apply for a grant, and Maoz will pay up to 90% of that need. All we ask is for a reference from their church or congregational leader.

We help with all sorts of requests, health and educational needs, funding training and help with new immigrants settling into Israel. Maybe you need new new chairs for your congregation or are struggling with rent or mortgage payments. Giving to this fund enables us to help believers in need right across Israel. We see this fund as key to building the body of Messiah in Israel. **ISWI Fund.**

## Feed Tel Aviv

One of the projects that we support on a monthly basis is Feed Tel Aviv. This project, initially set up by Pastor Moti Cohen from Tiferet Yeshua congregation is based in a small shop unit between two brothels in the red light district of the city. Obviously, the people we serve there are in dire need, many are prostitutes and a large percentage are addicts.

Teams from Feed Tel Aviv also go out on the streets after dark to find homeless people, and provide food, and prayer. You can help us to support this work by giving a gift through us. You can allocate your gift to : **Feed Tel Aviv.**

## Arab Ministry

Maoz supports a project in Judea and Samaria, reaching people with the Gospel through Arab Christians. They have seen incredible fruit helping families in dire need, as well as running programs that give opportunity to share the Gospel. You can allocate your gift to : **Arab Ministry.**

## Publishing

We have published over 160 Bibles and books in the past four decades - and continue to do whatever it takes to translate books that will impact Israelis, both unbelievers and believers. This involves acquiring publishing rights, translate, edit, format, and print. From there we distribute the books to congregations and our Hebrew online store.

Our latest include a new Messianic Bible, which highlights how the Bible conveys God's unshakable truths and points to Yeshua as Messiah. You can allocate your gift to : **Books**.

## Maoz Worship

If the mere echoes of ancient Israel's worship have brought the world so much light, think how much more can be received when Israel's modern-day Psalmists are reinstated to their posts as singers, songwriters, composers and musicians.

Based in Jerusalem—the City of Worship—we've dedicated our lives to see this atmosphere of worship restored to the land.

The Fellowship of Artists studio in Jerusalem offers over 3,000 sq. ft. of professional studio space with an in-house team of technicians and musicians to serve artists from the beginning to the end of the creative process. You can allocate your gift to : **Maoz Worship**

## Congregations – Pastors Fund

One of the key ways to build the body of Messiah in Israel is through local congregations. That is why we have always supported local leaders and their people. Every month we send funds to local pastors, particularly those in need. You can allocate your gift to : **Pastors Fund**.
