

**Precautionary COVID-19 Liability Release Form:**

Due to the outbreak of COVID-19, here at iLash Studio we would like to assure our clients and implement the necessary safety measures to provide the health and safety of our clients, our stylists, and our community. There are many new safety precautions and sanitation measures that we are implementing. Below is an overview of what you can expect when you return to iLash Studio for your appointment.

Please complete the following and sign below.

Symptoms of COVID-19 include:

- Fever
- Cough
- Shortness of breath or difficulty breathing
- Chills
- Headache
- Sore throat
- New loss of taste or smell
- Nausea or vomiting

I, \_\_\_\_\_ agree to the following:

- I understand the above symptoms and affirm that I, as well as all household members, DO NOT currently have, nor have experienced the symptoms listed above within the past 14 days.
- I affirm that I, as well as all household members, have NOT been diagnosed with COVID-19 within the last 30 days.
- I affirm that I, as well as all household members, have NOT knowingly been exposed to anyone diagnosed with COVID-19 within the last 30 days.
- I affirm that I, as well as all household members, have not traveled outside the US, or to any city outside of our own that is or has been considered a “hot spot” for COVID-19 infections within the last 30 days.
- I understand that **iLash Studio** and personnel cannot be held liable for any exposure to the virus or any other contagion caused by misinformation on this form or history provided by each client.

By signing below I agree to each above statement and release iLash Studio and personnel from any and all liability for the unintentional exposure or harm due to COVID-19. iLash Studio and all personnel agree that they abide by these same standards and affirm the same. To this extent, we will be following the Center of Disease Control (CDC), or local health department guidelines and state board guidelines to improve and expand our sanitation protocols more thoroughly to fight the spread of COVID-19 and other communicable conditions.

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

## COVID-19: WHAT WE ARE DOING:

- Studio business hours will be updated to allow staggered shift/start times to allow for low traffic inside the studio.
- We will limit the number of people inside the studio. If you arrive early to your appointment, we kindly ask that you wait outside in your vehicle until your appointment time or until your stylist is ready for you. This will help ensure safe social distancing practices in our reception/waiting areas.
- Stylists will thoroughly wash their hands before and after each client, in addition to hand sanitation throughout the appointment, as needed.
- As always our policy, stylists will be wearing a face mask for the duration of your appointment and/or we will be wearing face shields.
- We always adhered to strict protocols for proper sanitizing of our tools/equipment between each client. All tweezers and stainless-steel tools are washed, fully immersed, and soaked in Cavicide, an EPA-approved intermediate-level surface disinfectant that is effective against TB, HBV, HCV, viruses, bacteria and fungi.
- Wearing gloves is not mandatory for stylists, however, we will be more than happy to wear them at your request.
- Following each client appointment, all hard surfaces and work stations will be properly wiped down with hospital grade disinfectants. A new disposable pillow cover and disposable bed sheets will be provided for each client.
- All iLash Studio team members have completed their Covid-19 Infection Prevention Certificate.
- All iLash Studio personnel will have their temperatures taken at each shift (using a contactless, infrared thermometer). Anyone experiencing a fever/raised temperature or any symptoms will not be permitted to work.
- Our premises are spacious enough to ensure adequate ventilation and air flow which allows for proper social distancing practices.
- We have implemented a vigorous cleaning/disinfection schedule at each shift and at the end of our day. Special attention will be given to high contact points to ensure those areas are properly cleaned.

## WHAT WE ASK OF YOU

- **A friendly reminder that if you aren't feeling well/have symptoms, if you have been in contact with a confirmed case of COVID-19, or recently returned from overseas in the last 3 weeks – please reschedule your appointment to a later date after you have tested negative.**
- We request that you wash your hands or sanitize upon your arrival. Hand sanitizer will be available at our front desks (and pretty much everywhere!) for your use.
- **In line with new procedures, all clients (including existing) will be emailed a new waiver form with updated information and questions to complete prior to their appointment. This is to ensure that we have correct contact and health information. It will be treated in accordance with local privacy laws and with strict confidentiality.**
- Masks will be mandatory. All clients will be required to wear a mask during their appointment. We request that you bring your own mask. If you do not have one, we have disposable masks available for purchase.
- **Additional guests will not be permitted, please make the necessary arrangements to come alone to your appointment.** We're sorry, due to government capacity regulations, we absolutely cannot accommodate any additional guests in our studio at this time.
- We will no longer provide blankets during treatments to prevent cross-contamination. You are welcome to bring a jacket or dress warmly if you tend to get cold.
- Please follow any signs, barriers or floor markers to assist with social distancing wherever possible.
- We may request temperature checks before we begin any treatment, using a contactless, infrared thermometer. If you have a raised temperature, unfortunately we will need to reschedule to a later date.

Thank you and we're very much looking forward to seeing everyone again!
