I'm interested in adopting _____ cats.

I am committed to imprinting these cats in the agreed upon shelter for 4 to 6 weeks, providing food, water, litter and a safe place to learn their new environment.

I agree to leaving the imprinting area available for the cats for the duration of their lives, providing food, water and a safe area to retreat from weather and wildlife.

I understand that without taking the time for the imprint process the cats will not understand this is their home and most likely leave the area/property.

I agree that if, for any reason, the cat(s) need to be returned or I have any questions I will contact The Cat Circle at (916)467-2424.
