

To my dear patients,

For more than 25 years in my solo hematology and medical oncology practice, it has been an enormous privilege to partner with you and so many other wonderful patients. I want to personally thank you for entrusting me with your care.

I am excited to announce that my oncology practice is joining **UCI Health on Nov. 1, 2025**. This transition will allow me to continue providing the personalized, attentive care you've come to expect—now with the added benefit of access to the advanced resources and support services of a National Cancer Institute–designated comprehensive cancer center, one of only 57 in the country.

Effective November 1, 2025, my offices will be at:

- **11190 Warner Ave., Suite 115, Fountain Valley, CA 92708.**
- **19208 Jamboree Rd, 3rd Floor, Irvine, CA 92618,** at the UCI Health Chao Family Comprehensive Cancer Center.

UCI Health participates in many popular healthcare plans. I encourage you to review your coverage to confirm whether UCI Health is included.

- If your current plan does not include UCI Health, you may wish to consider switching during the upcoming open enrollment period to continue seeing me as an in-network provider. In addition, you may be able to continue receiving care from me for a designated period through a program commonly referred to as "Continuity of Care." Please contact your health plan's member services department at the phone number on your ID card to learn about your rights and available options.
- If you prefer not to change your current healthcare plan, I recommend selecting another physician *before* Oct. 31, 2025, to ensure uninterrupted care.

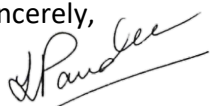

To facilitate the transfer of your medical records:

- I kindly ask that you provide a thumb drive, so we can copy your records directly for you to share with your new physician.
- Alternately, a printed copy of your records can be provided, at a cost of \$0.25/page to reimburse the practice for such expenditures.

In addition, I have also enclosed a medical record request form. Please complete and sign the form, indicating the physician you have chosen. Once we receive the completed form, your records will be faxed or transferred to the new physician in three to five business days electronically.

As always, I am available to you. Please contact me with any questions or concerns--- your care continues to be my priority. Thank you again for the trust you have placed in me and for allowing me to be part of your life and health.

Sincerely,

Lalita Pandit, MD

October 1, 2025.
