We intend to fight to enforce the deed restrictions that mandate a 40-foot minimum frontage in Bellcourt, along with the minimum setback that protects green space in our community. We need to establish a Legal Fund of between \$5,000 and \$10,000 to retain an attorney to represent Bellcourt in this fight. We need your help!

Individual members of the board are committed to starting this Legal Fund with our own money, but we can't get there alone. Any amount helps, really, but please dig as deep as you can!

Get Us Started!

☐ I am enclosing \$25 to help us get started in our legal battle to defend our deed restrictions

Can You Be Part of the 1 Percent?

If 100 Bellcourt residents gave \$100, we would have the \$10,000 we need for our retainer

☐ Enclosed is my donation of \$100

Can You Take a Giant Step?

If just 10 Bellcourt members gave \$500 each, we would be halfway there

☐ I'm willing to give \$500

Any Amount Is Appreciated!
