

FOOD SAFETY POLICY

FEBRUARY 16TH, 2022

AM Foods Group is one of the largest foodservice and distribution companies in Egypt and distributes to 4 and 5-star hotels, restaurants, cafés and retail supermarket chains.

Food safety is a top priority for AM Foods. Our vision is to be the premier food service supplier and innovation leader in Egypt and our mission is to provide value to our customers by continuously focusing on People, Products and the Pursuit of Better.

AM Foods provides appropriate training and awareness to all employees to be able to understand their responsibility for quality and consumer safety. Our objectives are mainly focused on (1) developing new markets, (2) our people, (3) internal processes, and (4) sourcing new products.

We are committed to maintain food safety management systems and continuously seek to improve systems and standards.

AM Foods follows global food safety standards that are aligned to our customer requirements. These standards are applied in our warehouse through process of receiving, storage and distribution which comply with local and international legal regulatory requirements.

AM Foods ensures that this policy is available as a document, implemented and publicized to any interested parties. We will ensure that this policy is reviewed annually and communicated to employees and all third parties.
