**Atlas** is a seven ton bronze sculpture which sits at the Fifth Avenue entrance to the Rockefeller Centre.

Lee Lawrie (1877-1963) born in Rixdorf, Germany conceived and designed the figure whilst Rene Chambellan modeled the heroic Titan from Greek Mythology.

It was installed in 1937 and **Atlas** is 15 feet tall standing on a 9 foot granite pedestal. The entire sculpture is 45 feet tall and impressive from every angle.
