# ABOUT **Stuart Graham**

I am a dedicated financial advisor with extensive experience, licensed in both Ontario and Quebec. As a Registered Life Underwriter, I am excited to celebrate 32 years of service in 2025, contributing to the vibrant communities of Ottawa, the Ottawa Valley, and Western Quebec.

My mission is to empower individuals to secure their financial futures through a comprehensive range of services, including personal life insurance, accident and sickness insurance, critical illness insurance, group insurance benefits, and mutual funds. I take great pride in helping clients make informed decisions that positively impact their lives and the well-being of their families.

As a financial contributor to the national publication "The Greco Lean and Fit Magazine," I have had the privilege of sharing valuable insights with a broader audience. My leadership roles on the boards of APICA and AYDELU Corps have further enriched my perspective and commitment to community service. I have coached and managed minor hockey teams, and in 2003, I founded Riot Hockey AAA, which has produced exceptional talent such as Nick Cousins, who celebrated his victory in the 2024 Stanley Cup with the Florida Panthers, and Cody Ceci, a finalist with the Edmonton Oilers. I take particular pride in founding the Riot Cup Youth Spring Hockey Tournament, which has grown to become the largest competitive hockey tournament in the Nation's Capital, featuring 160 enthusiastic teams participating in 2025.

In 2022, I successfully organized and managed the National Capital Hockey Show, recognized as the world's largest hockey exposition. Hosted by renowned hockey historian Liam Maguire, the event featured a remarkable lineup of hockey legends, including Claude Giroux of the Ottawa Senators, ten-time Stanley Cup winner Yvon Cournoyer, and iconic player Paul Henderson. Guests also included Johnny Upton, the captain of the Charlestown Chiefs known from "Slap Shot," Chad Matthews, the world's only authorized Stompin' Tom impersonator, hockey wizard Zac Bell, and world-renowned artist David Arrigo. This event celebrated the rich history of hockey, showcased trophies from the Hockey Hall of Fame, and paid tribute to the 50th anniversary of the Summit Series and the Ottawa Senators' 30th anniversary. Additionally,

I am thrilled to share my entrepreneurial journey as the owner of Beach Monkey Life Beach Apparel, with our inaugural store located on the beautiful island of Providenciales in the Turks and Caicos Islands. Furthermore, I am co-authoring a book about my famous cousin, David B. Mulligan, who is celebrated for inventing the "mulligan" in golf and for his distinguished role as the Dean of the North American hotel industry. I look forward to sharing these experiences and insights as I continue to grow both personally and professionally!
