

## Lizette Cloete

A veteran occupational therapist-turned-dementia coach, pastor's wife, and daughter of two parents with dementia, Lizette has 30 years experience in the field. Lizette transitioned her expertise into a specialized role as a Christian caregiver coach, supporting thousands of families through their caregiving journey. Her personal role as a caregiver to her own parents gives her a deep understanding of the complexities and challenges of dementia caregiving. She blends her professional skills with her personal experiences to help caregivers glorify God, despite a dementia diagnosis.

Lizette's progressive and cutting-edge approach blends Biblical principles with science-backed solutions. She helps caregivers find creative solutions using innovative mentoring and community support. Her unique process not only aids caregivers in navigating the healthcare system but also focuses on balancing caregiver health, spiritual growth, and familial responsibilities. As our guest presenter, Lizette will share insights from her journey, offering hope and practical solutions to those caring for loved ones with dementia, all framed within a Christian perspective.
