June 2017
Welcome fellow PTA Members,

I want to say thank you for participating in your state convention. A special welcome to all first timers.

This gathering is an opportunity to share and celebrate our PTA Mission. Whether you’re here to conduct the business of your PTA, take home a well-deserved award or celebrate with the families of our renowned Reflections Program, this is your time to gather and reflect upon your success and prepare for the challenges that you may face ahead.

The world of PTA is dynamic. We must continue to adapt to the ever-changing environment while meeting the challenges and needs of our current and prospective membership. While our Mission has been time-tested and continues to be relevant to today’s parents, teachers and students, we must be mindful of how we communicate and instill these landmark values into the membership base of tomorrow in order to be successful.

PTA has been enhancing the lives our nation’s children for more than 120 years. We’ve kept America’s children safe with the enactment of child labor laws, gave them a head start with universal kindergarten, made sure they were fed through the National School Lunch Program and right now, we’re making sure families are involved in improving K-12 education with the implementation of the Every Student Succeeds Act.

Advocacy is how we have been and continue to be the voice for all children. Your attendance at this convention is a testament to your dedication and passion as you advocate as leaders and shape our children’s lives today and into the future.

State conventions are a great opportunity to network, collaborate and learn. Everyone here shares your passion and drive to support all children. This is your opportunity to make long-lasting relationships and strengthen the network of voices that creates the One PTA voice.

It’s an important time to be a PTA member. I implore you to embrace everything your state convention has to offer and to share everything you learn here with your community when you get home. Thank you for your continued support as we help build the path to equitable education. I appreciate all you do for PTA and for our nation's children. Together, let’s make this a great convention!

Sincerely,

James L. Accamando

President’s Welcome

On behalf of the Michigan PTA Board of Directors, I want to welcome you to the 99th annual Michigan PTA convention. The theme of this year’s convention is “Full Steam Ahead.” We hope that attendees will leave this convention excited and empowered to go “full steam” into the new year with the knowledge and tools to help them be successful and effective advocates for children and families. You have the opportunity to bring dynamic change into our homes, schools, and communities and we hope that you will discover here at convention many new ways to focus and channel these new ideas, tools, and resources into positive action.

As we launch into Michigan PTA’s 100th year, we recognize that we are not so different from our founders who over 120 years ago understood the power of individual action. They had a simple idea—to improve the lives and future of all children. They worked beyond the accepted barriers of their day just as we often do, and took action to change the world for all children. That is our legacy and that is still our challenge.

Over the next two days I hope to have the opportunity to meet many of you in person and hear how you are changing the lives of children in your schools and communities.

Make your voice count for kids every day.

Ruthann

From the Convention Chair

On behalf of your 2017 Convention Committee, I would like to welcome you to your 99th Annual Convention!

Nathan R. Monell, CAE

Nathan R. Monell, CAE, joined National Parent Teacher Association (PTA) as Executive Director in May 2015. Throughout his entire career, Nathan has pushed to help improve the lives of individuals who are often marginalized by multiple life factors. At America’s oldest and largest volunteer child advocacy association, he is working side-by-side with parents, teachers and policymakers at every level to help ensure the educational success of our nation’s children.

Founded in 1897, PTA has been a leading voice in policy decisions that have forever changed the lives of America’s children, including the passage of child labor laws, ensuring hot and nutritious lunches in schools, improvements to the unfair and punitive treatment of children in the justice system, and increased education opportunities for all children. With more than 22,000 local units, PTA flourishes in all 50 states, the District of Columbia, the U.S. Virgin Islands, Puerto Rico and the Department of Defense Schools in Europe.

For 26 years, Nathan has provided strategic leadership to organizations in the areas of: youth and adult mental health services; educational and employment outcomes; health and substance abuse prevention service, and housing and social services for families. Most recently he served as the President and CEO of the National Council for Community and Education Partnerships, the Department of Education-designated technical assistance and training provider for the $300 million GEAR UP college access and readiness program.

Nathan is a Certified Association Executive with the American Society of Association Executives (ASAE). He earned a Certificate in Nonprofit Management from Georgetown University, a Master of Arts in communication studies (organizational communications/behavior) from the University of Michigan, and a Bachelor of Arts in speech from Cornerstone University.

Nathan has received more than 40 awards, the most recent being the 2012 Kentucky College Access Advocate of the Year by the Kentucky Council on Postsecondary Education. He consults with and trains nonprofit executives, boards of directors and others in the advancement of the nonprofit profession and management. He is a proud PTA dad of his two adopted children, Zalo, 14 and Kira, 12.

Michigan PTA Fran Anderson Scholarship

The Fran Anderson Michigan PTA Scholarship was created as a way to recognize high school seniors who have demonstrated leadership and advocacy skills through participation in PTA. A minimum of one $1,000 scholarship is awarded each year and additional scholarships and/or scholarships of varying amounts are awarded based on available funds.

The late Fran Anderson, past Michigan PTA President, always demonstrated the highest level of advocacy for all children and her leadership continues to have a positive impact on Michigan PTA. To honor her many years of being a champion for children, the scholarship was named in her honor.

Scholarship recipients are selected by a committee comprised of Michigan PTA Past Presidents based on the following criteria: PTA/PTSA involvement, essay, community service, additional activities, academics and letters of recommendation.

2. Delegates are required to wear badges at all times for identification and to receive special privileges. Badges are required for admission to all meetings including workshops, meals and exhibits.

3. When the convention body is participating in a counted vote, the doors will be closed and admission will only be granted at the end of the vote, when the chair has announced the results of the vote.

4. When delegates are unable to hear the speaker, they are to inform the teller at the nearest microphone in order that the participants on the platform may be informed.

5. Messages, motions, or communications shall be carried by the pages only. No one may make a personal communication with the Chair, except in cases of emergency.

6. Robert’s Rules of Order Newly Revised shall govern the Convention on parliamentary procedure in all cases in which they are applicable and in which they are not in conflict with the Michigan PTA or National PTA.

7. All student activities must be approved prior to the Convention by the Convention Program Committee, in accordance with Student Participation Guidelines.

8. Any youth that is not a voting or visiting delegate must be accompanied by his or her parent or adult chaperone at all times, and will be admitted to all functions, including paid meals, with a guest badge.

13. No exhibits, literature or materials other than those of Michigan PTA or its service agencies shall be displayed or distributed unless approved by the Executive Committee or the state president.

Obtaining and Using Voting Credentials

Every PTA/PTSA unit and council that has fulfilled current Standards of Affiliation (SOA) is eligible for voting credentials and should send delegates to convention. A voting credential is allotted (1) to the President and one Vice President of a Council (or their alternate), (2) to the President of a Local Unit (or their alternate) plus one additional credential for every fifty members of the unit. Eligible Local Unit and Council Presidents will provide information on how they would like to have their voting delegates assigned prior to the Convention. Additionally, Past Presidents of Michigan PTA and current Michigan PTA Board Members also are awarded voting privileges associated with their position.

If you were notified that you are to receive voting credentials, please state that when you register. Unless the President has indicated otherwise, delegates will be assigned privileges on a first-come, first-served basis.

You must have your membership verified before obtaining voting credentials.

Delegates Speaking and Voting Procedures

1. Delegates will show their voting credential cards for the privilege of making motions, debating and voting.

2. Delegates wishing to speak shall go to the nearest appropriate microphone and await recognition of the Chair before speaking. Upon being recognized, delegates shall give their name in full, city or county, and the name of the local unit or council, or member of the Board of Directors.

3. All motions must be presented in writing to the chair and signed with full name, city or county and the name of the local unit/council represented, or Board of Directors.

4. A voting member may speak for only two (2) minutes at one time on any question under discussion and only twice on the same question. No delegate may speak for the second time until all delegates seeking recognition have had the opportunity to speak. All speakers shall conform to the signal of the Timekeeper.

5. No item of business, including bylaws and resolutions, may be on the floor for more than thirty (30) minutes (excluding all points of order, points of information, voting and procedural issues.) Within this time frame, the Chair shall recognize delegates “for” and “against” motions in alternating order. In order to extend debate time, a delegate must move to extend debate, which requires a second, is amendable, is not debatable, and requires a 2/3 rising vote. There shall be a limit of three (3) ten (10) minute extensions on each item of business.
Parliamentary Procedures

To expedite convention business, the following procedures will be used:

- **Microphones**
  - There will be microphones numbered 1 through 2 on the floor.
  - Microphones #1 and #2 will be used for Debate, Proposing Main Motions and Higher-ranking Motions, and for Points of Information.
  - Microphones #1 and #2 will be used by delegates wishing to speak For or Against a motion or amendment.
  - Microphone #2 will be used by delegates wishing to Move the Previous Question, Make a Request, Parliamentary Inquiry, Point of Order, an Appeal, or to Raise a Question of Privilege.

- **Cards**
  - **Green Cards** (microphone #1 and #2)
    - **Debate:** Speak *For* a motion.
  - **Red Cards** (microphone #1 and #2)
    - **Debate:** Speak *Against* a motion.
  - **White Cards** (microphone #1 and #2)
    - **Debate:** To *Propose* motions of higher rank that are in order; **Point of Information**, to ask the chair a question.
  - **White Cards** (microphone #2)
    - **Requests, Inquiries, Points of Order, and Appeals:** Can interrupt a delegate speaking in debate if urgency requires it. No second required except in the case of **Appeal**.

A. Raise Question of Privilege:
   1. To protect the rights and privileges of the assembly or any delegate;
   2. Used for the **Comfort** of the assembly (concerning temperature or ventilation, audio problems, disturbances);
   3. The chair decides.

B. To Request a Withdrawal of a Motion.

C. Call for a Division (requesting the vote be taken again by rising and may be made from the floor without going to the microphone).

D. Division of the Question (if any part of the pending question is capable of standing alone to be discussed and voted on).

E. Points of Order: Raised by a delegate who calls attention to a violation of the rules.

F. Appeal: Requires a second and is made when the delegate does not agree with the ruling of the chair. The appeal must be made immediately at the time of the ruling; a majority vote or tie vote sustains the chair.

G. Parliamentary Inquiry: To ask the chair
   1. A question about parliamentary procedure;
   2. If a certain motion is in order.

Amendments

The motion “to amend” is used to modify the wording of the pending motion before the pending motion itself is voted upon. Delegates should use the proper terminology and identify the position in the motion where the amendment should be placed. The processes for amending are the following:

- Insert words or add at the end
- Strike out words
- Strike out and insert
- Substitute – never less than a complete paragraph

Two amendments may be pending at one time. The primary (first) amendment must be germane – related – to the motion. The secondary (second) amendment must be germane to the primary amendment. Amendments require a majority vote.

Michigan PTA Committee Reports

Career & College Readiness Initiative
Liz Jarvis, Team Chair

Michigan PTA Every Student Succeeds Act (ESSA)/College and Career Readiness Initiative (CCRI) Team works with representatives from National PTA to promote those initiatives across the state.

Since 2009, National PTA has supported college and career readiness standards (formerly called the Common Core State Standards), and has led various initiatives for state PTAs, including Michigan PTA, to promote those standards. The Michigan PTA, through the ESSA/CCRI Team, is charged to educate and train its leaders and members about the education standards and aligned assessments; to meet with decision-makers; to work with the media, and to build its overall advocacy capacity to support this campaign and others in the future.

Our initiative focuses on the implementation of ESSA, including College and Career Readiness Standards and aligned assessments, throughout Michigan. The ESSA/CCRI Team has presented workshops in various locations across the state. It also produces a newsletter about ESSA, and maintains an ESSA-themed Facebook page. The Team is working to partner with like-minded groups across the state, to further enhance the scope and reach of its initiative.

Michigan PTA is proud to be a part of this initiative (Wave 7 of the National PTA program), as we work to promote public education in our state, and further the state’s progress in improving learning for all of Michigan’s children.
Federal Legislative Advocacy Report

Barb Anness, Federal Legislative Chair

After the 2016 General Election last November numerous changes have taken place at the Federal level regarding public education. Betsy DeVos is the Secretary of Education at the State Department of Education and, while National PTA has pledged to work with this Secretary, there are concerns regarding her record on public education, private school voucher advocacy and a publicly expressed desire to give states more control over Federal education dollars and regulations. Additionally, the climate in the 115th Congress and the Presidency has alluded to cuts that will, no doubt, impact public education.

With all this said however, National PTA is a great resource for legislative information, guidance and they are working diligently to keep up on the current and quickly changing landscape of Federal education policy in DC. I had the pleasure of attending the National PTA 2017 Legislative Conference in Washington in March. For state members that haven’t attended one of these conferences I highly recommend it! It was 3 days of informative workshop sessions, lots of networking with other advocacy representatives from states all over the country and the conference culminated in a “Hill Day” on the Capital to ask our legislators to “Invest in Public Education and Protect Our Children.”

Invest in Public Education by:

- Effectively implementing the Every Student Succeeds Act (ESSA) at all levels.
- Investing in public schools and oppose any private school choice system – vouchers, tax credits or deductions – that would divert funding from public schools.
- Funding Statewide Family Engagement Centers at its authorized level of $10 million in FY 2018.
- Expanding and enhancing early childhood education opportunities.

Protect Our Children by:

- Reauthorizing key legislation to incorporate more family engagement provisions and better protect our children in the 21st century: IDEA, Juvenile Justice and Delinquency Prevention Act (JJDPA), The Child Nutrition Act (Healthy, Hunger-Free Kids Act), FERPA (also modernize), and the Children’s Online Privacy Protection Act (COPPA)
- Promoting federal policies that ensure all students – regardless of race, color, national origin, immigration status, sex, sexual orientation, gender identity, disability or religion – have safe, supportive and positive environment in which to thrive and learn.
- Protecting youth, families and communities from gun and other violence.

I will continue to work and collaborate with Samantha Phillips, the Michigan State PTA Advocacy Chair, to inform Michigan PTA members about the latest happenings regarding Federal education legislation. If you’re on FaceBook, ask to join the Michigan PTA Advocacy page AND become familiar with key Legislation under the Advocacy tab on the National PTA’s web site at PTA.org.

Legislative Advocacy

Samantha Phillips, Advocacy Chair

Those that know the history of PTA, know that “Advocacy” is the unofficial “A” in PTA. Advocacy is at the very core of PTA’s existence and without advocates, PTAs are unlikely to fulfill the PTA mission or honor its values.

Following the 2016 Presidential election, the legislative environment facing public education is neither friendly, nor supportive. Programs and resources that are critical to the success of American public school students are under attack. Though Michigan advocacy priorities are focused on the state and local level, we cannot overlook the impact of recent and pending legislation at the federal level. Working closely with Barb Anness, Michigan PTA Federal Legislative chair, we will continue to monitor, analyze, evaluate and take a position on federal and state issues that require a PTA voice.

Following the lead of National PTA’s priorities, and public policy agenda, Michigan PTA’s priorities include:

- Protecting public education funding
- Early learning and childhood
- Common core and state curriculum standards
- Qualified, certified teaching professionals in every classroom.
- Juvenile justice and delinquency prevention
- Gun safety & violence prevention
- Education technology and student data privacy
- Healthy Nutrition / hunger-free meal programs

A 2017 Michigan PTA Advocacy Guide has been created for your reference, outlining the priorities list above and the rationale for these priorities.

Also, due to the fluid nature of current events, and the geographical spread of our advocates, “Virtual Advocacy” days are being scheduled to implement “Calls to Advocacy” simultaneously across the state. Please keep a look out for additional information on our first upcoming Michigan PTA Virtual Advocacy Day.

An in-person Lansing Advocacy Day will be held in Fall 2017 to gather, share concerns, ideas and best practices among our members with local legislator and expert input.

We encourage all members to make a conscious commitment to use their voice (literally, or in writing) to advocate for a
public school/education issue that they feel strongly about. Start with one email, phone call or letter. Let your legislators know where you stand on an issue. Be a part of the solution.

For more information on how to get involved in PTA Advocacy, or how to learn more about Advocacy, please contact me at philipss@michiganpta.org.

Outreach & Support
Kathy Carter, Vice President

This report is bittersweet, I get to talk briefly of the wonderful things my team and I have done this year. We are a team and hope you will join this team to help others succeed. It is my last report as my time in this position is term limited. Thank you for all your support over the last few years and hope that we have been helpful.

Our team has opened 6 new Units this year, with 2 or 3 waiting for the fall season. The push to advocate for children has never been higher. If you meet someone from a new Unit, please make them feel welcome and offer advice.

We continue to support Units with processing bylaws and standards of affiliation. The team has also done some handling and conflict resolution. Team Field Service is always there to assist in any fashion that you need, short of running your Unit for you!

Our goal is to help make you and your Unit a success. If you are a success your school and families will be successful also. Enjoy convention and may your upcoming year be a success.

Centennial Celebration Committee
Barb Blanchard, Past President & Chair

Michigan PTA will be celebrating its 100th Anniversary in 2018! This is a very exciting time that we are planning to share everywhere in Michigan. Advocating for Children has been and will remain our mission and passion. All Children can succeed when they have the education, health and welfare to live the best life possible.

The theme is Michigan PTA: Advocating for every child, Yesterday-Today-Tomorrow 1918-2018.

Look for our Centennial Logo on all printed material. We will also make the logo available for units and councils to use.

100 weeks of Michigan PTA historical trivia facts are being posted on our website and mailed out in the Weekly Updates.

The Celebration Banquet will be Saturday, April 21, 2018 at The Henry Ford Lovett Hall. We will be honoring Child Advocates from a variety of areas at the Banquet.

Committee members have visited the Bentley Library in Ann Arbor, on the University of Michigan Campus, where our history from 1918 to 1961 is stored. We will have some of the history on display at the State Convention, at the Celebration Banquet and in our memory book. We hope to also have a display at the Detroit Historical Museum next year.

Check the Convention Boutique for great Collectible Centennial items.

To raise needed funds for the Centennial events, there is a Centennial Community Supporter flyer and an online donation place on our website. We also have sent letters to a variety of possible supporters.

Councils and Locals without a Council are assisting the various committees. They are also collecting historical memorabilia for display at Founder’s Day events and elsewhere.

Centennial tool kits are available for Publicity and Back to School events. The Back to School kits have ideas for including children in the events.

We look forward to celebrating this great milestone over the next year.

Program & Services
Daveda Quinn, Vice President

The Programs and Services of the Michigan PTA operated throughout 2016-2017. As the supervisor of the Programs, I am very happy to report that we served the members and volunteers helped to make the programs a success.

The Reflections program was co-chaired by Teresa Marhofer and Joyce Heideman and they did an excellent job. The Facebook page that Joyce operates has been very instrumental in networking and communicating with all the schools. The Michigan Reflections Program had three National Awards of Excellence winners. Joyce and Teresa led two sessions on Reflections at Summer Leadership Academy.

Michigan in Men was chaired by Anthony King this year and he was able to work with his PTA unit in Detroit and he received information from National and the state to engage men in PTA.

I chaired the Family Engagement program and presented a workshop at Summer Leadership Academy and shared the National Programs with other members.

I also chaired the Awards committee with a great group of volunteers. We had a very productive year and look forward to helping more members in the future with new forms and longer periods to submit applications next year.

We have audited the accompanying financial statements of Michigan Congress of Parents and Teachers (a nonprofit organization), which comprise the statements of financial position as of June 30, 2016 and 2015, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Michigan Congress of Parents and Teachers as of June 30, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.
Report on Additional Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of functional expenses on pages 12 and 13 are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE 1 — NATURE OF ACTIVITIES

The purpose of Michigan Congress of Parents and Teachers (“Michigan PTA”) is to promote the welfare of children and youth in home, school, places of worship, and throughout the community; raise the standards of home life; advocate for laws that further the education, physical and mental health, welfare, and safety of children and youth; promote the collaboration and engagement of families and educators in the education of children and youth; engage the public in united efforts to secure the physical, mental, emotional, spiritual, and social well-being of all children and youth; and advocate for fiscal responsibility regarding public tax dollars in public education funding.

Michigan PTA was incorporated as a Michigan nonprofit corporation to act as the state governing body of local PTA units within the State of Michigan, as assigned by the National Congress of Parents and Teachers (“National PTA”). Local units do not meet the consolidation requirements under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958-810, Not-for-Profit Entities, Consolidation. The objectives of Michigan PTA are developed through conferences, committees, projects, and programs; and are promoted through educational programs directed towards parents, teachers, students and the general public.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Presentation

The accompanying financial statements of Michigan PTA have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Michigan PTA’s major initiatives are as follows:

Convention - Michigan PTA facilitates the gathering of the state and local PTA leadership, its membership, and strategic partners at the annual meeting and convention, which is rotated around the state.

Advocacy - Advocates policies that benefit children and families via dissemination of its public policy agenda and issue briefs, lobbying in support or opposition to proposed state legislation, regulations, and rulemaking, participation in programs, training and monitoring legislation.

Summer Leadership Academy - Facilitates the gathering of the local and state PTA leadership including all local officers and committee chairs to train leaders in support of the business, work and mission of the organization.

Reflections - The PTA believes all children deserve a quality arts education and encourages students to pursue artistic expression through participation in its annual Reflections Program. The program offers students in preschool through grade 12 the opportunity to create works of art for fun and recognition. It celebrates the many skills of our students and encourages them to pursue artistic expression in a number of different ways including film/video production, dance choreography, musical composition, photography, visual arts and literature.

Governance/BOD - Governance is the leadership of the Michigan PTA and includes travel, stipends, and any other necessary expenses to support the jobs of the committees, the board and the officers.

Scholarship Fund - The Fran Anderson Michigan PTA Scholarship was created as a way to recognize high school seniors who have demonstrated leadership and advocacy skills through participation in PTA. A minimum of one $1,000 scholarship is awarded each year and additional scholarships and/or scholarships of varying amounts are awarded based on available funds.
NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Presentation

Michigan PTA is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

- Unrestricted net assets represent unrestricted revenue and contributions received without donor-imposed restrictions. These net assets are available for the operation and support of Michigan PTA.

- Temporarily restricted net assets include revenue and contributions, subject to donor-imposed stipulations that will be met by the actions of the Michigan PTA and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

- Permanently restricted net assets represent funds restricted by the donor to be maintained in perpetuity by the Michigan PTA, with only the income to be used for the purposes specified by the donor.

Michigan PTA has no permanently restricted net assets.

Property and Equipment

Property and equipment are recorded at cost, when purchased, or if donated, at estimated fair market value at date of receipt. Expenditures for tangible property and equipment that do not exceed $500 are expensed when incurred. Depreciation is computed over the estimated useful lives of assets using the straight-line method. As of June 30, 2016 and 2015, the Michigan PTA does not own any property or equipment that requires capitalization and did not incur any depreciation expense for the years ended June 30, 2016 and 2015. Maintenance and repairs that do not enhance the value or extend the useful life are charged to expense as incurred.

Income Taxes

Michigan PTA is exempt from federal income taxes under the provisions of Section 501(c)(3) of the Internal Revenue Code (IRC). Accordingly, contributions to Michigan PTA qualify as charitable tax deductions by the contributor. However, Michigan PTA is subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the IRC. Michigan PTA has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; to determine its filing and tax obligations in jurisdictions for which it has nexus; and to identify and evaluate other matters that may be considered tax positions. No material taxable unrelated business income was generated and, accordingly, no provision for income taxes has been made in the accompanying financial statements. Michigan PTA is no longer subject to U.S. federal income tax examinations by tax authorities for the years ended on or before June 30, 2012, and is no longer subject to state income tax examinations by tax authorities for the years ended on or before June 30, 2011.

Financial Instruments and Concentration of Credit Risk

Financial instruments, which potentially subject the organization to concentrations of significant credit risk, consist of cash and certificates of deposit. Michigan PTA’s cash and certificates of deposit in banks, based on bank balances, were not in excess of federally insured limits at June 30, 2016 and 2015.
NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The carrying amounts of cash, certificates of deposit, accounts receivable, other current assets, accounts payable, deferred revenue, and amounts included in accruals meeting the definition of financial instruments approximate fair value.

Statements of Cash Flows

For purposes of the statements of cash flows, Michigan PTA considers all highly liquid instruments purchased with a maturity of three months or less to be cash equivalents.

Contributions

Contributions received are recorded in accordance with ASC Topic 958 as unrestricted, temporarily restricted, and permanently restricted, depending on the existence and nature of donor restrictions. Support that is not restricted by the donor is reported as an increase in unrestricted net assets and is recorded in the year notification is received from the donor. All other donor restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires from satisfying the stipulated time restriction or purpose restriction, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Restricted contributions whose restrictions are met in the same reporting period are recorded as unrestricted contributions.

Membership Dues

The annual membership year is based on the twelve-month period ended September 30th, with the exception of Units, which are based on the twelve-month period ended June 30th. Michigan PTA has determined that all membership dues, excluding Unit dues, are paid in support of the general mission of the organization, and as a result, reported as contributions in accordance with ASC Topic 958. Michigan PTA reports revenue from Unit dues as exchange transactions and recognizes the income based on the membership period ending June 30th. Unit dues relating to future periods are deferred. All membership dues are recorded net of payments to National PTA, which amounted to $99,146 and $110,042 for the years ended June 30, 2016 and 2015, respectively.

Grants

Grants received are recorded as contributions, conditional promises to give, or exchange transactions based on the facts and circumstances of each grant agreement in accordance with ASC Topic 958.

Event, Conference, and Convention Income

Event, conference, and convention income are recorded as exchange transactions and recognized as income when the services related to the activity are provided.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from those estimates.
NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the notes to the financial statements. Accordingly, certain management and general costs have been allocated among programs and supporting services benefited based upon management estimates.

Reclassification

Certain amounts in the 2015 financial statements have been reclassified to conform to the 2016 presentation.

Subsequent Events

Management has evaluated Michigan PTA related events and transactions that occurred during the period from the date of the balance sheet through February 28, 2017, the date of issuance of the financial statements. There were no events or transactions that occurred during the period that materially impacted the amounts or disclosures in the financial statements.

NOTE 3 — TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets consist of profit earned from the sale of Michigan PTA Appreciation Awards and benefit the Fran Anderson Michigan PTA Scholarship. The balance of temporarily restricted net assets at June 30, 2016 and 2015 is $32,018 and $29,125, respectively.

NOTE 4 — LINE-OF-CREDIT

Michigan PTA had an available line-of-credit of $115,000 with PNC Bank which was secured by two of Michigan PTA’s certificates of deposit. The line of credit provided for working capital financing. Borrowings bear interest at the bank’s prime rate plus 1%. The line of credit was paid in full and the agreement was terminated during the year ended June 30, 2016. Loans against the line-of-credit amounted to $0 and $109,933 as of June 30, 2016 and 2015, respectively.

NOTE 5 — MANAGEMENT COMPANY

On May 10, 2013, Michigan PTA entered into an agreement with Association Management Resources (“AMR”) to perform management and administrative services for Michigan PTA for the period of July 1, 2013 through June 30, 2016. Under this agreement, Michigan PTA agreed to pay a monthly management fee of $20,385 for the period of July 1, 2015 through June 30, 2016 ($244,620 annually). However, this agreement was subsequently amended to a reduced monthly fee of $16,920 for the period of July 1, 2015 through January 31, 2016 and $11,000 for the period of February 1, 2016 through June 30, 2016 ($173,440 annually). In addition to the service fee, Michigan PTA is required to reimburse AMR for any direct expenses incurred. Management service fees for the years ended June 30, 2016 and 2015 amounted to $173,440 and $233,520, respectively.
NOTE 6 — NET ASSETS RELEASED FROM RESTRICTIONS

The temporarily restricted net assets are available for the Fran Anderson Michigan PTA Scholarship. Scholarship recipients are selected by a committee comprised of Michigan PTA Past Presidents based on the following criteria: PTA/PTSA involvement, essay, community service, additional activities, academics and letters of recommendation. Net assets released from restrictions amounted to $3,166 and $3,730 during the years ended June 30, 2016 and 2015, respectively.

NOTE 7 — FUNCTIONAL ALLOCATION OF EXPENSES

The functional allocation of Michigan PTA’s expenses, as they relate to program services and supporting services, are listed below for the years ended June 30, 2016 and 2015. The following includes the allocation of both direct and indirect expenses.

Advocacy MATTERS!

Michigan PTA Mission Statement
To mobilize the forces of school, home, and community in order to ensure a quality education and nurturing environment for every child.

Michigan PTA Advocacy Committee
Promotes local, county, state and national efforts to focus on the education and well-being of all children in our state by working with families, educators, school boards, statewide associations and non-profit organizations, business and community leaders, the legislature, the State Board of Education and the Michigan Department of Education to ensure child-related concerns are being met.

Michigan PTA Advocacy Committee Goals
To be the voice of parents, teachers and students in advocating for:

- High quality Public Education for all students, regardless of their zip code in Michigan, (adequate and consistent state curriculum standards, teacher certifications, classroom size, arts & music programs, STEAM, early childhood programs, CCRI, Special Education)

- Protecting taxpayer dollars for education providing public access, governance and accountability (opposing any private school choice system—tax credits, vouchers or deductions—that would drain public school resources, protect the funding for IDEA Act)

- Safety & Security (LGBTQ rights, Gun Free Zones, Student Privacy, Safe Routes to School, Bully Prevention)

- Health & Wellness (Healthy food choices / Free & Reduced Meal Programs, Fitness, Mental Health, Substance Abuse Education, Sex Ed.)

- Family Engagement (advocating for funding of the Family Engagement in Education Act of 2013 (H.R.2662/S.1291))

- Juvenile Justice (reauthorization of the Juvenile Justice and Delinquency Prevention Act, elimination of zero tolerance policies disproportionately targeting minorities via the school to prison pipeline. Expulsion guidelines aligned with Federal Gun-Free School Zone Act of 1990)

Lobbying Guidelines

LOBBYING
Charitable and education organizations 501(c)(3)s such as PTAs face some restrictions regarding their lobbying activities. PTAs must refrain from violating PTA policies of nonpartisanship.

A 501(c)(3) organization which makes a 501(h) election can expend between 5% and 20% of its total annual program expenditures according to a formula. Restrictions on grassroots lobbying (i.e., efforts to inform the public) are more severe. If a PTA does not file an IRS form to make the Section 501(h) election, it may expend an “insubstantial amount” on lobbying activities, generally understood as no more than 5% of the organization's total annual program expenditures.

The following are some sample PTA activities, which may be used as general guidelines in determining what constitutes lobbying efforts:

Not considered lobbying efforts:
1. Informing members of legislative issues and positions critical to the goals of the association.
2. Researching and conducting nonpartisan analysis on legislation, stating the facts fully, stating your association’s position and allowing people to draw their own conclusion.
3. Inviting representatives or staff to visit or learn about your association’s program (not including discussions of specific legislation).
4. Explaining to members how a piece of legislation would affect your concerns.
5. Attending workshops on how to lobby.
6. Responding to official requests by legislative bodies for information or for testimony on the association’s position.
7. Conducting a neutral Candidates’ Night.
8. Endorsing or opposing the school budget.

Considered lobbying efforts, and must be counted for lobbying expenditures.
1. Informing people outside the membership of your position and encouraging them to write supporting your position on legislation or proposed legislation.
2. Telling people, your members included, to write or call supporting your position on legislation or proposed legislation.
3. Testifying about a position before a legislative body when you have not been specifically invited to appear.
4. Writing a “letter to the editor” which seeks to sway the community outside the PTA membership to a position.
5. Making a trip to the state or national capitol specifically to change a legislator’s mind about an issue.
6. Advertising in any media in an attempt to sway the general public to action supporting the PTA position on legislation or proposed legislation.
Political Campaigns

POLITICAL CAMPAIGNS 501(c)(3)s, such as PTAs, are absolutely prohibited from participating or intervening in political campaigns on behalf of or in opposition to any candidate for political office. Any violation of the political campaign guidelines may result in revocation of tax-exempt status and loss of deductible contributions. Moreover, the IRS will consider complaints from the public that an educational organization is engaged in impermissible political campaign activity. During an election year, questions about IRS political restrictions for not-for-profits tend to increase tremendously.

PTA officers, employees and volunteers may choose to participate on their own in the political process. If so, the following rules should be observed:

• An officer, employee or volunteer of the PTA, acting solely in his or her individual capacity, may participate freely in the political process.
• However, in one's official capacity as an officer, employee or volunteer of the PTA, an individual may not:
  1. Make speeches for a political organization of a candidate or publicly endorse a candidate for public office.
  2. Submit funds for or pay an assessment, or make a contribution to a political organization or candidate for public office.

ENDORSEMENTS – PROHIBITED
PTAs may not make statements (oral or written) supporting or opposing any candidate for public office. They may not encourage votes for or against any candidate for public office, via a speech, PTA bulletin, editorial position or other media. PTAs should avoid statements that indirectly support or oppose a particular candidate, such as labeling a candidate as pro-education or anti-teacher. PTAs should not host partisan political events.

FINANCIAL AND OTHER SUPPORT – PROHIBITED
A PTA may not provide financial support to any candidate, political action committee (PAC) or political party. In addition, it may not provide other forms of campaign support, such as free volunteers, facilities or mailing lists to any candidate. It may not use PTA letterhead to solicit contributions.

POLITICAL ACTIONS COMMITTEES – PROHIBITED
A PAC is a political committee whose purpose is to influence the election of any individual to public office. Generally, a 501(c)(3) may not establish or support (financially or otherwise) a PAC.

PENALTIES
Because the political campaign activity prohibition is absolute, PTA organizations must take the prohibition on political activity seriously. Any violation of the restriction may result in revocation of exempt status and consequent loss of deductible contributions. There are additional financial penalties which may be imposed on both the association and on association managers. The financial penalties on managers can be as high as $10,000.
