from the Principal's pen

We've officially made it to Christmas break, and I just want to say how proud I am of you. This semester took effort, patience, and a lot of early mornings, and you showed up!

Before we head out, I have to give a huge shoutout to our Varsity Girls Basketball team for their undefeated season so far! Your hard work, teamwork, and determination have been incredible to watch, and you've made our school proud. Way to represent BSmith!

As we wrap things up, I hope you take this break to do the good stuff: sleep in a little, laugh a lot, spend time with family and friends, eat your favorite foods, and enjoy not checking your alarm clock for a while. You've earned it.

When we come back, we'll hit the ground running. But for now, give your brain a well-deserved rest. Be safe, be kind, and take care of each other over the break. I'll expect to hear at least one great story from your break when we're back. Bonus points if you can make me laugh!

Enjoy every moment. Merry Christmas and have a Happy New Year!

Mrs. McClure - 3rd Grade

Mrs. McClure has been teaching for three years here at Brookesmith. She is a mother of nine and a grandmother of two. She enjoys crafting, but most of her time is spent cheering on her kids at their sports events, and she wouldn't have it any other way.

THIS WEEK IN HISTORY

During the American Revolution, Patriot General George Washington crossed the Delaware River with 5,400 troops, hoping to surprise a Hessian force celebrating Christmas at their winter quarters in Trenton, New Jersey. The unconventional attack came after several months of substantial defeats for Washington's army that had resulted in the loss of New York City and other strategic points in the region.
